Mrs. A. A. V. Halterman writes of Dr. F. G. Kinsman's Heart Tablets, etc.:

COULD NOT GO ACROSS ROOM, BUT NOW ABLE TO WALK SIX MILES.
I cannot express to you my thanks for your Heart Tablets as I had given up all hope of ever getting well. I had heart trouble for fifteen years and would have had spells so that I would have to sit up for five or six weeks at a time, only getting two hours' rest out of forty-eight. I had smothering spells and would have to be fanned for hours at a time, and the pain at my heart was so severe that I would think that every minute would be my last. My heart would beat so fast that I could not count the beats, and would then stop altogether and my breath would become so short that I would sink away in fainting spells. Many different physicians treated me, and one specialist stated that I had the worst affected heart of any he had ever treated and that it was impossible for me to be cured. I was not able to walk across my room on account of my heart, but am now able to go six miles on one walk. I was not expected to live by any of my friends, and they now all ask me: "What did you take to cure yourself?" I am looking well, and my heart never troubles me and it has been six years since I took the Tablets. My son was taken with the grip and was not able to work for five weeks. His heart troubled him so I advised the use of your Heart Tablets, and in three days he was well and has not since lost a day's work. I shall do all I can to recommend your medicine.

Above Heart Tablets are sold at \$1.00 per box at all Drug Stores, or write to P. O. Box 913, St. John's for further information.

Market Talk!

The recent reaction shook out a lot of weakly-margined accounts and strengthened the technical position of a great many issues.

We consider the market generally to be a purchase on all reactions like those of Monday and Thursday.

Those who shorted Studebaker as per our suggestion can now cover at a profit.
