## THE HOLLOW SQUARE.

Ladies of Canada:  
The hollow square, a purely British military tactic, was never broken but once. Why? Because Tommy Atkins from Canada and Tommy Atkins from all other British possessions stand solidly together. The lesson is, that in a commercial way also, the colonies should stand solidly together; and the ladies of Canada—the purchasing power—can do much toward accomplishing that end. Ceylon and India produce the finest teas. By using the teas grown in sister colonies, ladies act particularly. These teas appeal to you from sentiment, from purity, from economy—in every way they are superior to Japan or China. Drinkers of Green tea should try Monsoon, Salada or Blue Ribbon packets.

## Lincoln's Nettle Ointment...

This Ointment is the only positive cure known for Piles. It not only gives instant relief but will effect a permanent cure by removing the cause. This ointment is a positive cure for constipation of the bowels. Hundreds of remedies are offered as a cure for constiveness, yet there are more people both men and women, to-day suffering from constipation than ever before (owing largely to our mode of living.) All the pills and other preparations sold as cures for constipation of the bowels contain bitter aloes or other strong cathartics, the reaction from their use, increasing the trouble instead of curing it. The wonderful effect of Lincoln's Ointment is that it will cause an almost immediate motion of the bowels, and no reaction. One trial of this Ointment will convince any person of its "wonderful power." This Ointment is truly worth double its weight in gold to any sufferer from piles or constipation. Women will find this ointment invaluable for all itches and skin diseases, also for children. It will move the child's bowels without drugs or injection. It is also a first-class remedy for sore feet, removing all itching pain from bottom of the feet. Price 25c—Lincoln Medicine Co., Ottawa, or J. E. Richards, Aylmer.
