A disease supposed to be Asiatic cholera has appeared at Nicolaieff, on the Black Sea.

Japan advices state that 1,000 houses of the poorer class were recently burned in Tokio.

Wive persons have died at Nicolaieff, Russia, from a disease supposed to be Asiatic cholera.

The panic among the Christian inhabitants of Armenia is spreading. Hundreds are fleeing to Persia.

A trust, to monopolize the trade in chemicals, has been formed at Paris with a capital of \$40,000,000.

Emperor William has started for Kiel. He took with him a grand hunting chariot as a present for the Czar.

Prince Bismarck, in the course of an in-

#### CAUSTIC COMMENTS

Killing of Kemmler.

John Ruskin in a Critical Co

Advices from Hong Kong to July 18, and from Yokohama to July 28, have been received. There are complaints that the tea trade is going from bad to worse. United States Minister Denby has secured a settlement of all American claims for compensation. Some of these claims were for destruction of the missionary property in Canton Province eight years ago. A fire occurred in Tokio recently, destroying 1,000 houses of the poorer class. Cholera has broken out on the Turkish frigate Estongrove, at Yokohama. At Bonthain, in Celebes, a house boy ran amuck, killing eight persons and mortally wounding four more, besides injuring several others. He was finally killed. The Japan Gazette says during the first half of the present year fourteen private banks were established with capitals aggregating \$893,000. A cholera epidemic is rapidly gaining ground, 303 cases and 179 deaths having been reported in Nogasakitsen. Cholera is also reported at Yokohama and other Japanese cities.

KILLED BY A PONY ENGINE.

Fatal Accident on the Michigan Central Track at St. Thomas. Fatal Accident on the Michigan Central Track at St. Thomas.

A sad accident occurred at St. Thomas about 9 o'clock last evening. Mr. John Doyle, wholesale liquor dealer, and a prominent citizen for the past ten years, was run over by a yard engine at the Michigan Central depot and had his right arm cut nearly off at the shoulder. His left hand was badly crushed and he was out about the head and legs. He was carried to the Wilcox House, and Drs. McLarty and Fulton summoned, who found it necessary to amputate the right arm at once.

The unfortunate man lingered until 1 o'clock this morning when he breathed his last. Mr. Doyle had the contract for supplying dining-room cars with liquor, and was attending to his duties when the accident happened. He was a son-in-law of Mr. Martin Gould, of this city.

Toronto, Aug. 15.—The Grand Lodge I. O. O. F. opened yesterday at 9 o'clock, with Grand Master Bell in the chair. The

at 30.

Bro. J. Donogh presented his report as to the representation and jurisdiction of Ontario. The effect of this proposition would be to reduce the present representation from about 300 to 75. The report was discussed at considerable length and struck

THE WORLD OF WORK.

Engineers Will Not Take Part in the N. Y. Central Strike—Mr. Powder-ly's Opinion. BHALIFAX, N. S., Aug. 15.—The situation among the striking coal miners at Spring-hill is growing daily worse. All the machinery is at a standstill. The pumpmen, engineers and firemen have joined the strikers, and the fires are out. A compromise proposition was vesterday declined

promise proposition was yesterday declined by the men.

New York, Aug. 15.—P. M. Arthur, chief of the Brotherhood of Locomotive Engineers, says positively that his organiza-tion is not to take any part whatever in the strike, and that he does not believe the fire-men will either.

nen will either.

Albany, N. Y., Aug. 15.—The hundred yardsmen who were out on strike on the Delaware and Hudson road at this point have agreed to return to work. Officials say passenger service on the Central road was yesterday beyond criticism. Six freights were sent west and seven south from the West Albany yards in the afternoon.

STRIKE.

DETROIT, Aug. 14.—Master Workman T.
V. Powderly, of Scranton, Pa., who arrived in Detroit yesterday morning to attend a meeting of the National Executive Board of the Knights of Labor in the course of an interview said: "It is not the intention of the strikers to interfere with passenger trains. The efforts will be confined wholly to freight."

"We, of course, expect the strike to prove successful."

"Will all the roads that accept the Central freight be tied up?" was asked.

"The men on the different roads," Mr. Powderly replied, "will settle that for themselves. I do not think, however, that they will care to cripple their own organizations by handling the Central's freight." Mr. Powderly is receiving a shower of telegrams, and is keeping the wires hot with replies. The present meeting of the Executive Board may result in a general strike on the Lake Shore, Michigan Central, Grand Trunk, Bee Line and other feeders, if they porsist in taking the Central's freight.

CHICAGO IRON MOLDERS UNRASY.
CHICAGO, Aug. 15.—A shop strike among he iron molders is threatened in Chicago if the foundries accept orders from San Francisco, where a strike is in progress. The Molders' Union numbers about 1,600.

CHICAGO CARPENTERS WILL STRIKE.
Aug. 15.—The Carpenters'
Council, representing the carpenters and
ciners in this city, have resolved to order joiners in this city, have resolved to order a strike of all union carpenters on Sept. 1, on the ground that the employers have not lived up to the mutual agreement of May 1 that the scale of wages should be 35 cents an hour until August and after that date and until March, 1890, 37½ cents an hour.

DESERTERS.
