Mr. George McLaren presided at the meeting, at which seven teams were represented. All were in favor of organizing immediately. Several matters, such as the securing of grounds and the arrangement of the schedule, were left in the hands of the folowing committee: Frank Judd, E. Healy, John Brennan, John Stewart, Harold Wood, Erie Mc-Kenzie and Del Page. The committee will report at a meeting to be held shortly, when arrangements will be completed and officers elected. The teams represented were as follows: Victorias, Blues, Pastimes, Beavers, Hymans, Littles and Orients.

HAVE SENIOR TEAM

St. Catharines, March 31. - There seems little chance for a senior lacrosse team here this year. If a 60 and 40 per cent gate rule were adopted by the C. L. A. there might be a chance, but those who have been backing the national game here for years do not feel disposed to do so any longer as things are now.

The athletic club, if it goes in for the game this year, would favor either out-and-out amateur teams or ones wholly professional. This city put an amateur team in the field other amateurs in the country, and the past has proved that St. Catharines can win professional lacrosse, too.

#### Retail Store League Will Be Organized \$

The recent organization of several retail store baseball teams has started a movement to organize a retail league, and there is every likelihood that the object will be attained. Nearly every store closes on Wednesday afternoons, during the summer months, and there are enough teams among them to form a league. What was practically a league of the same description existed last year, although there was no regular organization. This year it will make matters run much more smoothly if a schedule is arranged, officers elected and everything conducted in a regular manner. This will mean better baseball-and that is what is wanted whetever it

The meeting to organize is to be held on Wednesday night at 8 o'clock at Young's Diamond Hall. All clubs interested are requested to send two delegates.
