Whitney Left Loop Holes

is in progress.

That's the Opinion of Delegates | When the Premier did speak, he Who Were on Big Power Deputation.

After the meeting with Premier Whitney yesterday, the members of the big deputation, as they wended their way to their hotels, talked interestingly of what the Premier had said, and wondered what it was all

While in the House, it appeared to them that Mr. Whitney had actually committed himself to a government power plant at the Falls, but as the delegates digested the Premier's speech they saw that he had left several loop holes through which to "get out from under" if he chose.

The giant deputation made itself at home in the Parliament buildings. It ing, Mr. Coatsworth digressed somecupled by a member, and the press gallery was also invaded. In fact, the delegates, badged and expectant, stood around in such numbers that they almost crowded on top of the Premier as he sat at his desk with his secretary and made notes of what the people were saying.

were not actuated so much by a desire inent. to secure cheap power as they were by perhaps.

simply told the delegates that he was in 1903 in favor of government ownership of the plants at Niagara, or government control of the selling price of the power to the municipalities and others, and since that time he has had no reason to change his mind.

The Russian Loan.

office. The charge is of the opinion between the former Russian Finance

There could be no mistaking what he meant when he said that the matter is such an important one the Government must of necessity step warily. The Government wants time.

There appeared to be quite a smattering of politics in the deputation, too, because every time a wise delegate gave the Government a sop, cheers greeted the salving process. Mayor Coatsworth, of Toronto, also lent a hand to this little part of the programme when he sighted Mr. Gamey elbowing his way up the main Nicholas Decides Not to Attend the stairway. As the man from Manitoulin reached where the mayor was standfiled every chair which is usually oc- what, and placing his hand on Gamey's shoulder, he shouted to the assemblage, Province."
