## LET CRETE DECIDE.

The Government of King George of Greece Replies to the Powers.

Pathetic History of the Troubles of Crete Reviewed in Detail.

ATHENS, March 8.—The reply of Greece break to-day. The reply after acknowledging the receipt of the identical notes

tion. It continues:

"Anarchy will ravage the country, fire and sword in the hands of blind town. tanatism will decimate a people who do not deserve such a fate. In the face of be enormous if we failed earnestly to urge the powers to restore to Crete what she already had at the time of the enfranchisement of the other Greek proinces and to hand her back to Gre to whom she has properly belonged since

to whom she has properly belonged since
Capo Istrias was president.

In the presence of the recent scenes of massacre and pillage, the burning of Canea and the frightful anguish of the boundless fury of the Mussulmans, our whole country was torn with remorse for its own responsibility. It assumed last year to persuade the Cretans to lay down their arms, but the misfortunes which followed forbids us again to undertake such a task. Even had we attempted our voice would been only a feeble echo and would not have reached the Cretan people.

In the presence of the recent scenes should be dependent on the retention of the coal deposits from monopoly.

2. Construction should be dependent on the retention of the pass should be given—where possible the line should be laid so that another could be laid if desired at some future date.

4. Connection with other through lines to be secured.

5. The Governor-General-in-Council on the real correspondent says there is a well authenticated report in circulation there in political and ecclesiastical circles that Senator Landry will introduce a fully equipped remedial bill during the approaching session of parliament, and the proposition on the retention of the coal deposits from monopoly.

3. No exclusive control of the pass should be given—where possible the line should be laid so that another could be laid if desired at some future date.

4. Connection with other through lines to be secured.

5. The Governor-General-in-Council on a railway commission to exercise control of the pass should be provable to the rotation should be dependent to the retention of the coal deposits from monopoly.

5. The Governor-General-in-Council on the pass should be laid if desired at some future date.

6. Connection with other through lines to support the measure.

7. The correspondent says there is a well authenticated report in circulation there in political and ecclesiastical circles that Senator Landry will introduce a fully equipped remedial bill during the approach that the Quebec bishops wi the Cretan people.
"As autonomy would fulfil the noble

aim of the powers it is obvious what must be the situation of the unhappy island from to-day until the establishment of autonomy. If the powers persevere in their decisions in the face of the foregoing views, then in the name of humanity, as well as in the interest of unique object of solicitude of the powers, we do not hesitate to appeal to them on the subject of another measure proposed by them, namely the recall of our troops.

"Indeed, if the presence of the foreign of the foreign of the foreign of the subject of another measure proposed by them, namely the recall of our troops.

"Indeed, if the presence of the foreign of the subject of another measure proposed by them, namely the recall of our troops.

"Indeed, if the presence of the foreign of the

with the most perfect satisfaction. Then, order being restored, it would be possible to ascertain the freely ex-

such shocks.
"Therefore, we appeal to the generous sentiments animating the powers, and we beg them to permit the Cretan peo-ple themselves to declare how they de-

## ON THE SAME MISSION.

London, March 6.—The appointment of the British mission to Abyssinia, now about to start for Zeilan, was announced in January last. Its objects were mentioned as aiming at counteracting those of the French mission under M. Legarde. The latter mission has the start of the English by four months. Before the English envoy can meet the Emperor, Menelik, Legarde, who has already concluded a commercial convention, will have obtained a political treaty with the Naona which

did not comply with the demands but was finally obliged to yield, when the Hydra went to the Bay of Annurida, from whence, however, the Commodore has as yet been unable to communicate with Col. Vassos, owing to unfavorable weather. Two Greek gunboats have returned here with men to enter the gendarmerie which disbanded some time ago, many of its members joining the Turkish gendarmerie.

IN EUROPEAN CAPITALS.

LONDON, March 8.—Replying in the House of Commons to-day to a question from Mr. James Bryce, Liberal member ATHENS, March 8.—The reply of Greece to the powers was finally drafted this morning, and sent to the foreign legations this afternoon. The cabinet sat all night in council, the ministers not returning to their homes until after day-the foreign legations the parliamentary secretary for the foreign office, Mr. Geo. N. Curzon, said the powers had not decided whether the Governor of Crete, under the autonomy regime, would be a Christian, irremovable by the Sultan or not.

PARIS, March 8.-M. Gobelet, the forof the powers, and recognizing the extreme gravity of the possible results bound up in the situation, proceeds as

often decimated.

We believe that the proposals will unfortunately fail to respond to the nobler intentions which inspired it and kora, where they are safe.

that fighting is in progress outside the

## IN DARKEST ENGLAND.

London, March 8.—In Mexborough, Yorkshire, last week, John Tart, a miner, went to a tavern with his wife and offered her for sale for a quart of beer. Her lodger, Enoch Childs, gave him half a gallon of beer for her, and signed an agreement to make her his wife; Tart and his wife also signed the document. Childs and the woman then took Mr. Tart for a lodger, but after five days he went away and she sued for desertion, denying that she signed the agreement. It will be remembered that exactly such a sale of a wife is the most sensations of fact of a wife is the most sensations of fact of a wife is the most sensations of fact of a wife is the most sensations of fact of a wife is the most sensations of fact of a wife is the most sensations of fact of a wife is the most sensations of the powers of the powers

Powers Determined That Greece Must Not Break the Peace of Europe.

to To-Morrow Unless the Greeks Yield.

OTTAWA, March 8.—(Special) — The LONDON, March 6.—The midnight disovernment has been officially apprised patch of yesterday from Henry Norman, if the appointment of Mgr. Merrydelval, the Daily Chronicle's correspondent at

been forwarded to the bishops to suspend all action.

"(Signed) C. Russell."

On the fourth of March the following cable dispatch was sent Mr. Russell from the Dominion government:

"Are we authorized to publish the message informing us that the bishops are divided as to the character of the continental bourses. The advice from Athens and Constantinople indicate that when the powers are agreed as to their general policy, they are divided as to the character of the continental bourses. mobler intentions which inspired it and will suffer the same fate as many previous unsuccessful experiments in Crete."

The report then refers to six previous insurrections in Crete and argues the unliklihood that the present proposals of powers will terminate a state of revolution. It continues:

that the Mussulmans have gone to Palimessage informing us that the bishops are instructed to suspend all action?"

To this the following answer was related the fine prevail. Greece. Two currents of feeling prevail. Great Britation of the bishops have been instructed to suspend all action pending consideration of the linear state of revolution. It continues:

"You are authorized to say that the bishops are instructed to suspend all action pending consideration of the linear state of revolution in the february and state the finance of the coercion to be applied to Greece. Two currents of feeling prevail. Great Britation of the bishops are instructed to suspend all action?"

To this the following answer was related as the following answer was related to the character of the are instructed to suspend all action?"

To this the following answer was related to the character of the coercion to be applied to Greece. Two currents of feeling prevail. Great Britation of the bishops are instructed to suspend all action?"
