### MEETING OF AUTO ASSOCIATION

Delegates Appointed to Attend Good Roads Association Meeting.

A meeting of the Restigouche Automobile Association was held in the Curling Rink Tuesday evening, President Carr presiding.

The Secretary read a letter from the Secretary of the N. B. Auto. Association asking that a delegate be appointed to attend the Dominion Good Roads convention at Halifax, May 10th, 11th and 12th, and on motion Mr. R. K. Shivers was chosen.

It was also suggested that the Restigouche Association should be represented at the meeting of the N. B. Association to be held at St. John on May 3rd.

On motion the Secretary, H. B. Anselow was named to represent the local association at that meeting.

The matter of repairs to the road between Campbellton and Matapedia was discussed and a strong resolution passed calling upon the government to undertake this work at once was unanimously adopted.

A resolution favoring the change in the rules of the road to "firm to the right" was also adopted.

It was decided that a general meeting of the Restigouche Auto Association be called during the latter part of May to hear reports of the delegates and take up several important matters.

### FAVORITES ARE COMING AGAIN

The Young-Adams Co. At Opera House Friday and Saturday.

H. Wilnot Young, the ever popular theatrical manager is returning to Campbellton, where he will present Miss Marjorie Adams and a strong supporting company at the Opera House for two nights and one matinee, starting Friday, April 29th.

The Young Adams Company that are always popular with Campbellton theatre goers, will present on Friday night a beautiful Irish Comedy entitled "True Irish Hearts," a play that is brimful of beautiful Irish songs, dances and costumes, on Saturday afternoon they will present the old true drama "Uncle Tom's Cabin" with Miss Adams in the role of Topsy. This play is one that all mothers should send their children to see. "Uncle Tom's Cabin" is a beautiful story and in the hands of the able Young-Adams Company will be well worth seeing.

On Saturday night they will present a comedy drama in five acts entitled "The Trail of the Lonesome Pine," adapted from the book of the same name.

In addition to the play the company carries six new big vaudeville acts, with a complete change each night.

Our advice to you is to secure your seats early, they are now selling at the box office.

### MUCH PERMANENT WORK PROPOSED

Concrete Sidewalks to Be Laid in Different Wards—Other Business.

A meeting of the Town Council was held in the Firemen's Hall Tuesday evening, His Worship Mayor McKay in the chair with Councillors Bissett, Chamberlain, St. Onge, Belle-Isle, Wallace and Moores present.

(Because of lack of space some routine business transacted is held over until next week.)

Coun. Wallace said that the engineer had made an estimate of \$5000.00 for the extension of the water and sewerage along Arran Street to Mr. Shephard's residence, or about \$2,000 to the lot upon which Mr. Richard Smith intends to build. This latter would serve several other lots.

Coun. Wallace said that an estimate of the concrete sidewalk most needed had been made and was as follows:

Water Street, subway, south side, 1450 feet.  
Queen Street, 400  
Prince William Street, 400  
Andrew Street, 745  
Dufferin to Minto Sts., 375  
Roseberry to Adam St., 350  
Roseberry to Andrew St., 100  
Along Minto, 375  
Roseberry to Jos. Duncan's, 650  
Along Sugarloaf, 450

In all about 5100 feet.

The amount laid last year was 1035 feet.

Coun. Moores drew attention to the necessity of street crossings as did also Coun. St. Onge.

Coun. Wallace agreed that crossings were in bad shape, but nothing could be done until frost was out of the ground. He said that permanent concrete crossings would be laid. A car of cement had been ordered.

In the meantime Couns. Bissett, Chamberlain and Moores had asked permission to retire, there then being only Couns. Wallace, St. Onge and Belle-Isle present.

Coun. Belle-Isle moved and Coun. Wallace seconded the following resolution:

In the opinion of this Council it has become necessary to reorganize the administration of the town's several departments and in order to do this, reasonable notice should be given to the several officers affected by this re-organization.

Be it therefore resolved that the chairman of the Finance, Public Property & Streets, Water & Sewerage, Police & License, and Electric Light Committees immediately serve written notice on the Town Clerk, the Town Auditor, A. G. Adams, the Street Commissioner, the Town Engineer, the Town Marshal and the Manager of the Electric Light system, that within thirty days from the first day of May, next, new appointments shall be made by this Council to fill the above mentioned offices.

Be it further resolved that in view of the fact that this Council are considering the advisability of reducing the

### FR. SHOW AT OPERA HOUSE

Serial to be Screened Saturday Morning At Eleven O'clock.

The Young-Adams Co., who are coming to the Opera House this Friday and Saturday will present "Uncle Tom's Cabin" at the matinee performance on Saturday.

On this account it will not be practical to run the usual picture matinee. Therefore rather than disrupt the continuity of the story for those of their patrons who have been following the serial "The Phantom Fox" at the matinee performances the Opera House management have arranged to screen the serial absolutely free of charge at a special morning show on Saturday starting at 11 o'clock. Everybody welcome. The Shub Pollard Comedy will also be shown for the benefit of the kiddies. Come and hear them laugh.

staff of the Electric Light system, that each employee of that department be also served with a notice similar to that to be served to the heads of various departments, the notice of these employees to be served by the chairman of the Electric Light Committee.

His Worship thought that this resolution was a very important one to come up at the end of the meeting, and with only a bare quorum present.

Coun. Belle-Isle contended that this was the only time this matter could come up, under new business. It was not his fault if the councillors left before the end of the meeting.

His Worship was of the opinion that a motion of such importance should have been brought to the attention of every councillor and seriously considered. It was certainly a drastic move.

Coun. Belle-Isle did not think there was anything drastic in it. Nothing which could not be remedied. This was only serving notice that new officers will be appointed. There was nothing in the resolution to state that the old officers would not be re-appointed.

His Worship said he would like to be sure that this resolution was all right before it was put on the minutes. The Council had enough of improper resolutions.

Coun. St. Onge favored letting this matter stand over for a full meeting, so that all could discuss it.

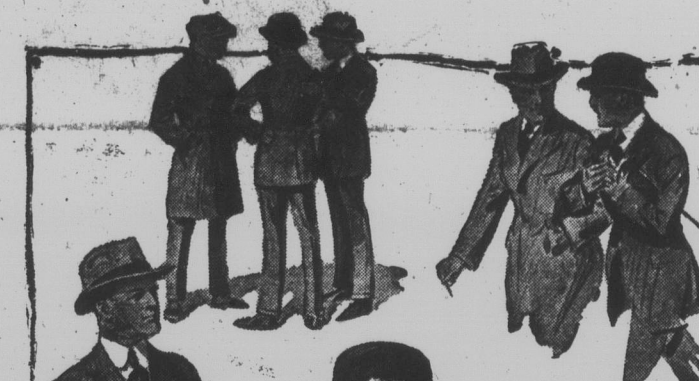

His Worship said that he would put the motion, but would do so under protest.

Coun. Belle-Isle could see no room for protest. The motion was regularly made and seconded.

His worship said that it appeared by this resolution as if Coun. Belle-Isle was trying to run every committee and department of the council. He felt strongly on this matter and if the resolution was passed and passed it would be coupled with his resignation.
