EEAR. THE IRISH LAND CT AN UNBATISFACTURY VERDICT.

## A Murderer Acquitted to the Disgust REJECTION OF MR. PARNELL'S BILL UNIONTOWN, March 14-The jury ac TO AMEND IT.

Jury and Population.

quitted Dukes of the murder of Nutt. Mr. Glads zone on Back Bents-No Further When the jury announced the verdict in Dukes' trial, Judge Wilson looked amazed Sacyinces to be Demanded of the Landand said ; "Gentlemen, I suppose your ver-

LONDON, March 14-In the house of comdict is one that you thought you should mons Mr. Parnell moved the second readrender under your oaths, but it is one that ing of his bill amending the land act. He gives dissatisfaction to the court, because said the agitation in Ireland must continue we thought the evidence sufficient to justify we thought the evidence summer to justify a different verdict. If you have committed an error it is one we cannot avoid, but can only express our condemnation of in this mild way. The prisoner is discharged." Dukee left the court amidst great excitement and indignation to increase till the act is amended. Mr. Chaplin, conservative, moved the

rejection of Mr. Parnell's bill. Mr. Dickson, liberal, supported the measure because it embodied the program

ndignation. 9.80 p.m. - The indignation over the veradopted by the conference of Ulster ten-

adopted by the conference of Ulster ten-ints. Mr. Gladistone said the land act was more efficient than Mr. Parnell described. Mr. Parnell's bill amounted virtually to a remodelling of the land act. He strongly denounced Parnell's statement that the courts imposed rack rents. He insisted that the tenants were willing to pay the the courts imposed rack rents. He insisted that the tenants were willing to pay the rents fixed by the courts. He hoped Par. In all would give an assurance that the new crussed would be conducted in a strictly Begal manner. It would be a violation of the duty of the government to demand any further sacrifice from the landlords. Mr. Gladstone's remarks were repeatedly cheered by the tory members.

Gladstone's remarks were repeatedly cheered by the tory members. The second reading of Parnell's bill was rejected by 104 to 250. The successor of Earl Spencer as lord pre-sident of the council will probably become minister of agriculture. This will be a new creation

creation. In Mid-Cheshire to-day, Egerton (liberal conservative) was elected to parliament over latham (liberal). This makes no change in the strength of parties. The Parnellites regards the unyielding tons of Mr. Gladstone's speech respecting the land act as satisfactory, so far as it is calculated to assist in promoting the appeal to Argerica for fresh funds.

and others not, and is a continuation of the BRAMPTON, March 14-Another breach of vicious practice of uniting in one bill differ-ent appropriations for diverse objects. The governor estimates the appropriations in promise case came on to day, and was, and in the case yesterday, tried by the learned governor estimates the appropriations in the bill for salaries at 69 per cent. of the amount to be expended for maintenance of the institutions. He declares the common-wealth employs more officers and agents than necessary to do its business, and the state institutions are managed with unne-cessary extravagance. He says there, has been an investigation of the accounts of these institutions and no report upon the subject to the legislature. He declines to be responsible for the bill, and will not even allow it to become law without his ap-proval. The governor asks the legislature to pass another bill cutting off large amounts of salaries and placing proper checks upon the expenditure of the money.

India to enable the wheat-growers of the country to compete on more equal terms with American producers.

quitted the track. Just as the train went on the trestle, twenty-five feet high, one of t the freight cars and the caboose toppled over down on the ice, and both were wrecked. Conductor Stewart was bally cut about the head, chest and right leg, and be-came insane. Martin Eckhart, a brake-man, was found under the caboose with one hand terribly burned and both legs broken. Notwithstanding his agony, Eckhart di-rected the operations of men rescuing him. His injuries will probably prove fatal. A woman named Figner, an important Nihilist, who arranged the murder of Gen. Strelinikoff at Odessa in 1882, has been arrested in St. Petersburg. There are strong differences of opinion

among liberal members of parliament in England on the Transvaal question, and many of them believe that England is mor-ally bound to protect Beuchana. The Vienna town council has resolved to

France and Her Colonies.

hold an exhibition in 1884 of articles con-nected with city improvements. Every municipality of Europe, America, and Australia will be invited to send exhibits. PARIS, March 14-In the senate De St. Vallier questioned the minister of foreign affairs regarding the situation in the French colonies, especially Tonquin. England, Germany and America, he said, had ab-sorbed the extreme east. He urged the occupation of Tonquin to accelerate the occupation of Cochin China. The minister replied that the government intended neither to abandon mor to conquer Tonquin, but to occupy it at certain points in order to demonstrate that France proposed to remain there. John Jesserang's Nerve. St. PAUL, March 14.—John Jesserang spicion of murdering one Davidson for the purpose of robbery, and of burning the corpse.— The prisoner was strung up six times by the mob to extort a confession, which he refused to make. His feet ware affairs regarding the situation in the French The intestines of Prince Gortschakoff have been sent to Freiberg to be analyzed. The prince died at the villa of his German mistress, with whom he became acquainted during the sitting of the Berlin congress. The Austrian reichsrath, by 156 to 107, has sanctioned the prosecution of Herr Schonerer, one of its members, on account of his speech at a meeting of the reading club of German students of the high school in Vienna, closed by the authorities.

A meeting of Irish, Scotch and English A meeting of Irisb, Scotch and English members of parliament in London yesterday decided to form a political committee, with a view to informing public opinion with regard to Irisb reform. The committee is quite impartial and no Parnellites are con-nected with it. John Jesserang's Nerve. ST. PAUL, March 14. John Jesserang was arrested at Glendale, Montans, on sus-picion of murdering one Davidson for the purpose of robbery, and of burning the corpse. The prisoner was strung up size

nected with it. The funeral of Coumoudouros at Athens yesterday, was attended by almost the entire population of the city. The king and all the diplomatic representives were present. Premier Tricoupis delivered an oration at the tomb.
