CHINA SCORES A VICTORY.

JAPANESE TROOPS REFUSED WITH
HEAVY LOSS AT YASUHAN.

War Officially Declared—Japan Apologues to Britain for Sinking an English Boat—Sinking of the Chinese Warship—Deaths—Preparations Against Attack at Taku.

LONDON, Aug. 1.—The Exchange Telegraph Company says that war between China and Japan was formally declared at noon today by Japan.

High Michener, C. M., from whom the Chinese transport Kow-Shung, sunk by a Japanese cruiser, was chartered, received a dispatch today from Tientsin dated Aug. 1, saying that Col. Van Hannekin, formerly aide-de-camp of Li Hung Chang, the viceroy of China, was on board the transport when it was foundered, was saved. The dispatch adds that a court of inquiry has been opened at Tientsin in order to ascertain the real facts in connection with the sinking of the Kow-Shung which may be known.

Finally, the dispatch from Tientsin says it is reported at Tientsin that war between China and Japan will be formally declared this afternoon.

British Merchants Warned Against Carrying Contraband War.

LONDON, Aug. 1.—Lord Kimberley, Secretary of State for Foreign Affairs, immediately upon receipt of notice from the Japanese Government that war had been declared, wired all British representatives abroad to warn captains of merchant vessels of the fact in order that they might form their cargo accordingly. Any contraband of war comprised in cargoes will be confiscated at the risk of the owners or charterers of the vessels.

THE CHEN YUEN NOT SUNK.

Badly Damaged, but Reached Port in Safety.

SHANGHAI, Aug. 1.—At 11 o'clock in the morning of July 27, the day after the attack on the Chinese transport, the Kow-Shung, the Japanese warship Takachiho and Hiyae made an attack upon the Chinese Chen Yuen. After a long and desperate fight the Japanese vessels were beaten off, the Hiyae being disabled and rendered helpless. The Chen Yuen, though badly damaged, succeeded in reaching port in safety, in company with a transport which also took part in the engagement, and immediately went into dry dock for repairs after her wounds had been made.

Japan Repudiated With Heavy Loss.

Advices from Yashan state that the Chinese are strongly entrenched there and that repeated attempts have been made by the Japanese troops to dislodge them. In every instance, however, the attacking force, after three or four days' attack, were repulsed at all points by heavy losses. A portion of the Chinese soldiers engaged in these battles were taken by the Japanese, and the remainder of the Chinese army, the northern army of Viceroy Li Hung Chang, the Chinese losses were small.

The damage to the Chen Yuen is so great that some time will be required before it can be fully repaired and the vessel sent to the scene of operations.

European Officers Commanded the Chinese.

Six Chinese transports packed with troops sailed Monday from Choo Foo. They were captured by three Japanese warships. The report of the capture of the transports is confirmed. The Japanese brought up for the attack every available man, almost a whole division of troops. The successful defence made by the Chinese was directed by European officers.

A letter from the Japanese Government, the outbreak of hostilities has revived all the nationalist fanaticism of the Chinese. Foreigners are openly insulted and violence is forced.

Bombardment of Taku Feared.

Ninety heavy guns have been added to the artillery at Taku Harbor in the last three days, and submarine mines have been laid in expectation of an attack from the Japanese. The report of the capture of the transports is confirmed. The Japanese brought up for the attack every available man, almost a whole division of troops. The successful defence made by the Chinese was directed by European officers.

SAW HIM AFFIX THE NOOSE.

BUT SUICIDE BUCKLEY DROVE THE CURIOUS CROWD AWAY.

When They Returned He Was Hanging by the Neck from the Limb of a Tree, and Life Was Extinct Before He Could Be Cut Down—Ill-Health the Cause of the Tragic Affair.

Boys playing in the bush on the Davenport road, opposite Dorecourt road, and just outside the city limits, had their attention attracted yesterday noon by the peculiar actions of a man who was seated on a limb of one of the trees, to which he was attaching a rope. On perceiving the lad the man descended from the tree and chased them away.

A few minutes later a lad named Foster, who was older and more curious than his companions, returned to see what the man was doing, and found him hanging by the neck from the limb, his feet were within eight inches of the ground.

Foster ran to Davenport road and notified a man who was driving past in a cart of his discovery. The man entered the bush and cut the body down, but life was extinct.

The suicide identified some people in the locality identified the body as that of George Buckley, laborer, aged 55, who resided at 45 Hallam street.

Buckley came to Toronto from Montreal about three years ago. Since last fall he has been unable to work owing to ill-health, and has been brought to the attention of the police by his neighbors.

Since his release from hospital he has been very despondent, and constant brooding over his troubles affected his mind to such an extent that it had been found advisable to keep him under surveillance for fear that he might attempt to take his life.

Yesterday morning he evaded his watchers, disappearing from his home about 10 o'clock. The bush where he was found was about half a mile from his house. He appears, from the deliberate manner in which he carried out his intention, to have carefully planned the deed. His coat-collar was turned up around his neck, evidently to prevent his falling.

The body was conveyed to his home about the time he should have arrived for his regular work. The body was found on the table in expectation of his return.

The coroner was notified, but decided that an inquest was unnecessary. The body was buried in a grave near his home, and the police were notified.

NOTES FROM OTTAWA.

Two Street Crossing Cases Decided—Hon. John Haggart Leaves to Inspect the New Canal.

OTTAWA, Aug. 1.—There was a short sitting of the Railway Committee of the Privy Council this morning, at which Hon. John Haggart presided, the other ministers present being Hon. Mackenzie Bowell and Hon. J. M. D. D. The only cases taken up were the two postponed from yesterday. In the first, that of the crossing of the Canada Southern Railway at Amherstburg, the previous order with reference to the street crossing was confirmed, in spite of the objection of the townships. The other case was that of the Montreal Street Railway at Wellington, where the crossing was confirmed, in spite of the objection of the townships.

The conference was far apart as ever. Senators Say There is No Hope Unless the House Will Yield on the Three Items in Dispute—Still Fighting Over Sugar.

WASHINGTON, Aug. 1.—It was thought that when the Democratic members of the Conference Committee on the Tariff bill adjourned this afternoon something definite would have been agreed upon, but the reverse was the result. The conference was adjourned until tomorrow morning.

When the members of the Opposition were called upon to move their amendments, they made no reply. Robert W. Hargrave had given notice of 70 amendments and Messrs. Bartlett, Broderick and Henshaw of 20 to 40 amendments. The successive refusals to respond to their names were met with derisive cheers from the Irish members.

Unanimous Absentees. In consequence of the action of the Unionist members in declining to abstain from further participation in the discussion of the Evicted Tenants' bill, the front benches of the House of Commons resumed consideration of the bill today.
