A NEW FAMILY MEDICINE, AND VALUABLE SPRING AND FALL PURIFIER. DR. BUCHAN'S TONIC BITTERS.

This medicine is recommended by the first Physicians of Europe and America as the most appropriate and truly harmless, yet successful general Family Medicine ever invented. It corrects disorders of the digestive and portal organs, removes obstinate constipation, promotes a proper circulation of the blood in the extrinities, strengthens weak nerves, renders the mind cheerful and the body active, invigorates and establishes healthy regularity throughout the whole system, more speedily than any other medicine ever offered to the public. It possesses ALL the properties of Sarsaparilla, including SALICAPRINE, which valuable medicinal property was entirely lost till now, by the unskillful process adopted in the manufacture of Sarsaparilla preparations. The absence of SALICAPRINE in all the hitherto advertised preparations of Sarsaparilla, clearly accounts for the entire want of public confidence in the virtues of Sarsaparilla. By a new chemical process, discovered by the World renowned chemist, BARON LIEBIG, SALICAPRINE is now completely preserved in this medicine, and it also contains, in addition, the purifying and other Hygienic virtues of various valuable productions of the vegetable kingdom, in the purest and most concentrated form. It is an alterative of great value.

The preparation acts most kindly on the liver and mucous membranes, corrects and prevents acidity, aids assimilation where grossy articles are used as food, and is suitable in every kind of constipation, complicated with defective biliary secretions. Nothing can surpass it in constipation with hemorrhoidal tumours at the verge of the anus—strangury, piles, and especially so in that which accompanies all varieties of perverted menstruation—so much so, that it will be found a valuable emmenagogue, where constipation is present. In constipation connected with long continued derangement of the biliary system, termed bilious dyspepsia, it will be found an insubstitutable medicine, as well as in the constipation of the convalescent stage of fever, when the patient has to eat to take food, it is of great use in preventing relapse, by regulating the functions of the bowels and promoting digestion. For the studious and others of sedentary habit and employment, it is the very best remedy in the world for obviating constipation so troublesome and health-destroying, by the use of it, the bowels of the sedentary will seldom or never become constipated. In several parts of Europe various classes of society, as well as the sedentary, who are generally more or less of a costive habit, find this medicine to exceed all others. They also find it to be highly conducive to health of body and mind. It never interferes in the smallest degree with diet or occupation. THE BITTERS will be found valuable in many chronic diseases, especially those arising from impurities of the blood and constitutions—that bane of health and source of manifold diseases—

- such as Dyspepsia—Loss of appetite—Drowsiness—Headache—Flatulency—Pain in the stomach—Pain in the side—Pain in the small of the back—Pain in and between the shoulders—Acidity in the stomach—Bilious attacks—Nervous, Periodical and sick headache—In chronic hepatic affections with dyspepsia. It is a most valuable remedy—also in Spasms—Rheumatism—Unpleasant sensation of fullness after eating—Marsasmus, or wasting of flesh in childhood or early youth—Cyanache Maligena, or Malignant ulcerated sore throat—Hysterics, in various forms—Tetanus in various forms—Chorea Sancti Viti, or St. Vitus's Dance—Chlorosis, or Green Sickness—Amenorrhoea—Dysmenorrhoea—All glandular enlargements, and various other diseases incident to females.

It produces a powerful and lasting impression upon the glandular system and secretory organs, unequalled by any other article. The great and controlling power which this medicine exercises on the secretory and excretory organs, renders it a medicine of peculiar properties as a curative agent, of various complaints and diseases, not mentioned above.

AS A FAMILY MEDICINE, IT IS SAFE AND EFFICACIOUS. IT IS WARRANTED TO BE SUPERIOR TO ANY OTHER EVER OFFERED TO THE PUBLIC. Indeed, the Bitters is a regulator of all the secretions, as far as a general remedy can be so. Several families of the highest respectability in Toronto and neighborhood, have used the medicine and speak of it with unqualified approbation.

PROTECTION FROM LIGHTNING!! BY E. V. WILSON AND H. PIPER & BROTHER,

(ON THE PRINCIPLE OF JAMES SPRATT'S) ELECTRICIAN AND ELECTRO-METALURGISTS. AT THEIR WHOLESALE AND RETAIL.

Lightning Rod Manufactory, On Yonge St. between King and Adelaide Sts., TORONTO, C W

At which place we beg to offer Superior Spiral Twisted Anviled Iron Lightning Rods, with Zinc Protectors, and Electro Positive Elements combined in the most perfect manner, thus rendering their equal to Copper as conductors. They are in ten, twelve, and fourteen feet lengths, with an ornamental fitted brass screw connecting part, an entire new size of metallic attachments for brick or frame buildings, also Glass Tubes of various and ingenious construction, forming a lock. The whole is mounted with a solid platinum Silver Point, fourteen inches long, surrounded at the base with three angular negative magnets, which possess the power to an extraordinary extent, of discharging the opposite elements of the most fearful thunder storm, and endure the entire perfection of science up to the present time; the whole constituting the most important and perfect Patent conductor ever presented to the public. The public are cautioned against purchasing Rods of any person or persons unless they possess a certificate of agency, signed E. V. Wilson, L. R. Agent, and their sample Patent, stamped Spratts Reproducing Patent, 1852, as we are not answerable for rods put up by any person unless they have our certificate as above. Your attention is called to the above caution from the fact, that several parties have offered to the public an inferior article, plated, tinned, and otherwise glossed over, when in truth they are not worth anything as Electro Points, nor do the parties offering them know anything about the laws of electricity, consequently it is dangerous to employ ignorant men to protect your buildings and your lives.
