STUDENT LIFE.

On Nov. 14th, Mr. Charles A. H. Tanner received a letter from Mr. Alex. Crozier, B.A., who is on active service in the Transvaal.

Mr. Crozier is a graduate of Queen's University, and in his fourth year Medicine in McGill. He boarded with us through his course and hence we have an interest in his welfare. He belongs to Strathcona's Horse. His letter is dated, "Lydenburg, Transvaal, Oct. 5." He does not regret the trip and speaks of it as a "glorious, delightful, romantic picnic full of dangers, Long Tom shells, and Mauser bullets, which made every individual hair stand on end." He had several narrow escapes. One paragraph tells, "The Boers gave us a jolly scare. We got into camp about two o'clock and were all settled down when about four o'clock the Boers opened on us with five guns. Say, they did not do a thing but deluge our camp with shells. We had thirteen men struck in our camp and many horses and mules killed. One shell exploded ten yards from me, and covered me with dust. One big cake of mud struck me on the head and I thought my time had come. Shell fire is not at all nice. I hope to be in Montreal about Christmas."

His brother, Rev. H. J. Crozier, graduated from this College two years ago.

We miss Rev. D. D. Millar, who finished his examinations and left our halls and company on Nov. 5. He had a slight attack of appendicitis during the last few days he was with us, and was forced to lie abed. We hope he is quite well by this time. He is taking a post-graduate course and we shall likely see him here again.

We report a pleasant evening on Nov. 8. The Young Peoples' Society of St. Gabriel's Church gave us an invitation to spend that evening with them. Many of the students
