

AYER'S HAIR VIGOR

Restores the color, gloss, and youthful freshness of the hair; stimulates a rich and luxuriant growth, thoroughly cleanses the scalp; prevents dandruff and humors; and is the most cleanly and effective preparation for the hair ever offered to the public. Rev. J. W. Davenport, Illinois Bend, Texas, writes: "Ayer's Hair Vigor, used in my family for several years, has no equal as a dressing, nor for preventing the hair from falling out or turning prematurely gray. It ranks among the first luxuries of our house." Miss Kate Rose, Ingersoll, Ontario, writes: "While keeping my head clear of dandruff, and preventing Scald Head, Ayer's Hair Vigor has also caused my hair to grow luxuriantly, resulting in my now possessing hair forty-two inches long, and as thick as could be desired." The wife of Dr. V. S. Lovelace, Lovelaceville, Ky., had very bad tetter sores upon her head, causing the hair to fall out. Ayer's Hair Vigor healed the sores, and in less than twelve months produced hair a foot long.

42/5-2 No More Bald Heads.

To produce a new growth of hair on bald heads, in the case of persons advanced in years, is not always possible. When the glands are decayed and gone, no stimulant can restore them; but, when they are only inactive, from the need of some excitant, the application of Ayer's Hair Vigor will renew their vitality, and a new growth will result. L. V. Templeton, Newbern, N. C., writes: "After a protracted illness, with fever, my hair all came out, leaving me entirely bald. I procured a bottle of Ayer's Hair Vigor, and, before I had used all its contents, a thick growth of hair, nearly two inches long, covered my head." L. D. McDunklin, Perryville, Md., writes: "Baldness is hereditary in my family. Five years ago the hair on the top of my head was becoming weak and thin. I procured Ayer's Hair Vigor, the application of which invigorated the hair roots, and sent out a new growth of young hair. To-day my hair is as thick and vigorous as ever. I still use the Vigor occasionally to keep my scalp in a healthy condition."
