Our Sunday-School Periodicals

FOR 1890.

WE are thankful for the greatly increased patronage of our Sunday-school periodicals during the past year. We hope for its continuance in still increased measure. Their circulation has reached over 325,000, and is rapidly increasing. We believe that our several periodicals will be more helpful and more interesting than ever before. Neither money nor labor shall be spared in making them the best, the most attractive, and the cheapest lesson helps and Sunday-school papers in the world.

THE SUNDAY-SCHOOL BANNER

will continue to adopt every improvement that can be desired for increasing its efficiency as a teacher's help. A series of attractive engravings of some striking scene in Bible lands, will be presented. In order that every teacher in every school of the Methodist Church may have the aid of this unsurpassed teacher's monthly, its price will be uniformly sixty cents a copy, whether taken singly or in any quantity. This gives the individual teacher an equal advantage with the school which can take a large number. Thus

FIVE CENTS A MONTH

will place in the hands of a teacher *twelve times thirty-two pages—384 pages a year*—of rich, full, concise, practical lesson notes and teacher's hints, adapted for the several grades of the Sabbath-school, and well printed in clear type on good paper.

PLEASANT HOURS

was never so popular as during the past year. We are determined that the next year it shall be better still. It will have a serial story of instructive interest, "Life in a Canadian Parsonage," by the Editor. While retaining the same general features, it will introduce marked improvements of illustration and context. It will, as heretofore, give special prominence to Christian missions—especially those of our own Church—to temperance, and Canadian and patriotic topics. It is a quarto eight-page paper, issued every fortnight, at the following low prices :—

HOME AND SCHOOL

will be of the same general character as PLEASANT HOURS, but of a somewhat superior grade, and more varied home reading. These papers are, for size, and price, and excellence, the *cheapest in the world*. We challenge comparison. They are even ordered from the United States and Australia, as superior to anything that can be produced for the price in those countries. Issued on alternate Saturdays, they furnish a paper for every Sunday in the year. They both abound in choice pictures, poems, stories, and sketches, in temperance and missionary sentiment, and in loyalty to Queen and country. Many schools circulate these papers instead of library books—finding them fresher, brighter, more attractive, and much cheaper.

Both these papers will be printed from new type leaded, and will be much more attractive than ever.
