This Company is the only Canadian Company giving Total Abstainers their true Status in Life Assurance. It keeps them in a Separate Class, thus giving them the benefit of their better rate of Mortality, and, as a result of such separation, larger profits. The experience of the "United Kingdom Temperance and General" Co. of England, for the last twenty years, was nearly 30 per cent. in favor of Total Abstainers. Call and examine the Instalment Bond Plan—Provision for the family and Investment Combined. All desirable forms of Life Assurance issued, in all of which the Total Abstainer gets the benefit of his greater longevity.
