Pharmaceutical Preparations.

We desire specially to call the attention of Physicians dispensing their own prescriptions, to the high standard of our **Tinctures, Fluid Extracts,** and general Pharmaceutical Preparations. In this respect we are not surpassed by any firm in the city. Write for quotations.

PEPSIN, PANCREATINE, &c.

(Fairchild Bros. & Foster's.)

We invite a comparison of our Prescription work with that of any other Drug House in town, feeling confident that in quality of drugs, and ability to dispense, we are second to none.

BELLEVUE HOSPITAL MEDICAL COLLEGE, CITY OF NEW YORK.

SESSIONS OF 1889-90.

The REGULAR SESSION begins on Wednesday, September 25th, 1889, and ends about the middle of March, 1890. During this session, in addition to the regular didactic lectures, two or three hours are daily allotted to clinical instruction. Attendance upon at least two regular courses of lectures is required for graduation.

The SPRING SESSION consists of recitations, clinical lectures and exercises, and didactic lectures on special subjects. This session begins about the middle of March and continues until the middle of June. During this Session, daily recitations in all the departments are held by a corps of Examiners appointed by the Faculty.

The CARNEGIE LABORATORY is open during the collegiate year, for instruction in microscopic examinations of urine, practical demonstrations in medical and surgical pathology, and lessons in normal histology and in pathology, including bacteriology.

For the annual Circular and Catalogue, giving requirements for graduation and other information, address Prof. AUSTIN FLINT, Secretary, Bellevue Hospital Medical College, foot of East 26th Street New York City.
