DOCTOR: We ask You to prescribe "Ferrol"

BECAUSE . . .

IT IS THE BEST.

It is the only perfect Emulsion of Cod Liver Oil, Iron and Phosphorus obtainable.

It is the only Emulsion directly under the endorsement and patronage of the Medical Profession.

We fully guarantee every ingredient to be strictly first class the oil being of a specially fine quality.

It is a purely Canadian product and sold at a moderate price.

It is always reliable, palatable and acceptable to the stomach.

It is never advertised in the public press.

It is not an experiment—it has been thoroughly tried and is endorsed by our most prominent physicians.

By strictly adhering to these methods we look for the liberal and unreserved support and patronage of the profession of Canada, and will be glad to furnish samples and any information to any physician requesting.

Yours truly

THE FERROL CO. OF TORONTO (Limited)
