"AUNT MARTHY'S CURE" is to day the most popular and largely used remedy for Rheumatism on the market. There must be some reason for it. There is. ITS UNDOUBTED AND ACKNOWLEDGED MERIT is the reason. "A. M. C." is not calculated and designed to act as a temporary aid only. It does not deaden pain for a moment or an hour, and then yield the victim to worse sufferings than ever, but it will radically and entirely cure any case of Rheumatism or Neuralgic trouble in existence. All cases do not require heroic treatment, but any which do are guaranteed satisfactory results, after the use of half dozen of "A. M. C." Sold by druggists and grocers. Sent to any address by mail on receipt of 25 cents. "A. M. C." MEDICINE COMPANY, 186 St. Lawrence Main Street, Montreal.
