SADLIER & CO'S. NEW PUBLICATIONS.

A NEW WORK, BY MRS. SADLIER.

JUST PUBLISHED, 'THE BLAKES AND FLANIGANS.' A Tale illustrative of Irish Life in the United States.

Although this Work has only been published a few weeks, the first edition of two THOUSAND copies have already been sold.

'In its permanent and corrected form, we wish 'The Blakes and Flanigans' a place in every household, and we could not wish an Irish household a better guide, or a more accurate social chart, of the dangers and temptations with which they especially have to combat in this state of society.'

'We earnestly hope it may find a place in every Catholic household, and that it may be carefully read by every Catholic father and mother in the Province.'

'Mrs. Sadlier has been the successful authoress of several interesting stories published heretofore, and we have no doubt, that the Work the Sadliers have just published will add to her reputation.'

'Independent, however, of the principle which it inculcates, the story is interesting and well-told, and is of a nature to please persons of all creeds and countries.'

'We can assert that it is one of the most useful books of the day, and the most pertinent to the circumstances in which we are now placed with regard to religious education.'

'The accomplished Authoress has put the Catholics of America under a strong obligation by this most excellent Work, the best ever written by her.'

'The tale is well written and graphically told, and maintains the high position Mrs. Sadlier has already attained in the world of letters.'

'Eminently popular and attractive in its character, 'Fabiola' is in many respects one of the most remarkable works in the whole range of Modern Fiction.

'Worthy to stand among the highest in this kind of literature.'

'Were we to speak of 'Fabiola' in the strong terms our feelings would prompt, we should be deemed extravagant by those who have not read it.'

'We would not deprive our readers of the pleasure that is in store for them from the perusal of 'Fabiola'; we will therefore refrain from any further extracts from this truly fascinating work.'
