Mercantile Summary.

It is perhaps not generally known that debts
contracted out of the State of California by a
resident of that State become outlawed in two
years.

UP TO THE present no instructions have been
received to enforce the discriminating duty of
ten per cent. on tea and coffee, which was to
have come into force on the 1st of October.

SOME OF the leading Chicago packers are
confident that the coming winter packing
season will be an unusually active one, and
opinions are expressed that that city alone will
pack 1,500,000 hogs during the months of
November, December, and January, or an
average of nearly 100,000 hogs per week. One
firm calculates to pack 350,000 hogs during the
season.

It is satisfactory to learn that the whole-
sale trade of Chicago has revived since the fire;
one branch, hardware, has been benefitted, it
is thought, by that calamity. Liabilities have
been liquidated with rather more than the
usual promptness, and all classes feel the bene-
fit of the increased activity that the work of
re-building has caused. Most of the principal
houses are now fairly settled in their new pre-
