

110 AD GSTIUM ET PULSA.

Lord, what am I, that with unceasing care Thou didst seek for me, that Thou didst wait, Wet with unhealthy dews before my gate, And pass the gloomy nights of Winter there? Oh strange delusion! that I did not greet Thy blest approach, and oh, to Heaven how lost If my ingratitude's unkindly frost Has chilled the bleeding wounds upon Thy feet. How oft my guardian angel gently cried, "Soul, from thy casement look and thou shalt see How He persists to knock and wait for thee" And oh! how often to that voice of sorrow "To-morrow we will open" I replied, And when to-morrow came I answered Still, "To-morrow." ORANGE DEVILTRY.

A'98 CELEBRATION ATTACKED BY A MOB OF ORANGE RUFFIANS IN BELFAST.

The Irish Nationalists of Belfast, Ireland, held, or attempted to hold, a celebration on the 6th inst. in memory of the heroes of '98. The Nationalist procession was returning from Hannan's Tower in the evening when it was attacked and broken up by a huge Orange mob armed with clubs, stones and other weapons. In the Shank-Hill Road several thousand Orangemen attacked and overpowered the police and chased them back into the Brow Square barracks. Several mounted constables were severely injured and one had his leg broken. The police reinforcements which arrived were compelled to threaten the crowd with their revolvers before they were able to rescue their comrades from the fury of the mob, which tore up the street for missiles. The troops were called out, but the mob cheered then and sang "Rule, Britannia." The disturbances then ceased, though the excitement continued. The feeling of the Orangemen against the police is very bitter. Many civilians were injured. A score of arrests were made.

ALWAYS COWARDS.

Catholic Record. American papers are poking a good deal of fun at the blatant members of the A. P. A. and similar societies, who were so loud in proclaiming their patriotism when there was no dangerous duty to be performed, and in vilifying others who in the time of danger were at the front in defence of their country. The Chicago Sun says: "Now tha a foreign foe is menacing the flag, and the little red schoolhouse, and every other American institution, and when Catholic orders of every kind are mustering in hot haste to defend the United States, and, when loyal men of every color, race, and creed are falling into line under the bright folds of the Stars and Stripes, how strangely silent are the American Protective Association, the Junior O. U. A. M. or Junior order of Jim Jams, the Patriotic Sons of America, and all other transplanted chips of the Old Orange block?" And again: "Judges and juries have convicted quite a number of these of felonies and misdemeanors of every kind, and sent them to acquire the technical education imparted in our State penitentiaries, but there are others. The self-constituted protector of American institutions is now a firm believer in the doctrines of the Peace Preservation Society."

A KIND VOICE.

You sometimes hear people say words with a quick, sharp tone, as if it were the snap of a whip. If any of them gets vexed, you will hear a voice which sounds as if it were made up of a snarl, a whine and a bark. Such a voice speaks worse than the heart feels. It shows more ill in tone than in words. Such as these get a sharp voice for home use and keep the best voice for those they meet elsewhere. We would say to all these: "Use your best voice at home." Watch it by day as a pearl of great price, for it is worth more to you in the days to come than the best pearl hid in the sea. A kind voice is a lark's song to heart and home.—Ex.

YEARS OF SUFFERING

Brought About by a Fall, in Which the Back Was Severely Injured—The Pain at Times Almost Unbearable.

Mr. Geo. F. Everett, a highly respected and well known farmer of Four Falls, Victoria Co., N. B., makes the following statement:—"Some years ago while working in a barn I lost my balance and fell from a beam, badly injuring my back. For years I suffered with the injury and at the same time doing all I could to remove it, but in vain. I at last gave up hopes and stopped doctoring. My back had got so bad that when I would stoop over it was almost impossible to get straightened up again. When I would mow with a scythe for some little time without stopping it would pain me so that it seemed as if I could scarcely endure it, and I would lean on the handle of my scythe in order to get ease and straighten up. At other times I would be laid up entirely. After some years of suffering I was advised to use Dr. Williams' Pink Pills, and decided to try one box. Before I had finished it I saw the pills were helping me. I bought six boxes more and the seven boxes completely cured me. It is three years since I took them and my back has not troubled me since. Dr. Williams' Pink Pills are an invaluable medicine and I highly recommend them any person suffering likewise. I consider that if I had paid \$10 a box for them, they would be a cheap medicine."

Rheumatism, sciatica, neuralgia, partial paralysis, locomotor ataxia nervous headache, nervous prostration, and diseases depending upon humors in the blood, such as scrofula, chronic erysipelas, etc., all disappear before a fair treatment with Dr. Williams' Pink Pills. They give a healthy glow to pale and sallow complexions. Sold by all dealers and post paid at 50c. a box or six boxes for \$2.50 by addressing the Dr. Williams Medicine Co., Brockville, Ont. Do not be persuaded to take some substitute.

UNITED BY CABLE

From the Cleveland Plain Dealer He wanted to ask her to be his ownest own, but the conventional words he had studied up so carefully failed him. She guessed his purpose, but saw no chance to help him out.

"Did you read about the Manila cable?" he asked. "Yes," she said. "It's cut." There was a long silence. "What do they do with cables that are cut?" she softly asked. "Splice 'em," he answered. She gave him a timid sidelong glance. He woke up. "Let's get spliced?" he hastily cried. "Let's," she gently answered. And the ordeal which had worried him for many weeks was suddenly forgotten.

A New Boarding-House For Small Boys.

The Sisters of Charity of St. Boniface, yielding to repeated requests from various quarters, have determined to undertake the management of a boarding-house for boys between the ages of six and twelve. Special halls will be set apart for them, where, under the care and supervision of the Grey Nuns, they will be prepared for their First Communion, while attending either the Preparatory Department of St. Boniface College or the classes of Provencher Academy. This establishment will be known as "Le Jardin de l'Enfance" (Kindergarten).

The results already attained in similar institutions of the Order give every reason to hope that this arrangement will fill a long felt want. Board and lodging will cost six dollars a month. For the boys who attend Provencher Academy there will be an additional charge of fifty cents a month. Bedding, mending and washing will be extra. The Sisters are willing to attend to these extras on terms to be arranged with them. The boys who attend the Preparatory Department of St. Boniface College will have to pay the tuition fees of the College.

"About 1730," says Dr. Asha "Porter has first manufactured in the City of London" This name was given to the beverage, because the principal consumers, were the Stalwart Porters of the day, who found its invigorating properties most beneficial, under their strain of work.

The names of Porter or Stout (as used by the public) are synonymous. We wish to mention our STOUT. Made from pure Malt and Hops it is most nourishing to the Invalid, because of its peculiar, aromatic flavour.

It is grateful to the Jaded Palate, because of its TONIC QUALITY. It creates a healthy appetite, and builds up the system.

All sized bottles from half pints.
