

Let every enfeebled woman know it! There's a medicine that'll cure her, and the proof's positive!

Here's the proof—if it doesn't do you good within reasonable time, report the fact to its makers and get your money back without a word—but you won't do it!

The remedy is Dr. Pierce's Favorite Prescription—and it has proved itself the right remedy in nearly every case of female weakness.

It is not a miracle. It won't cure everything—but it has done more to build-up tired, enfeebled and broken-down women than any other medicine known.

Where's the woman who's not ready for it? All that we've to do is to get the news to her. The medicine will do the rest.

Wanted—Women. First to know it. Second to use it. Third to be cured by it. The one comes of the other.

The seat of sick headache is not in the brain. Regulate the stomach and you cure it. Dr. Pierce's Pellets are the little regulators.
