NOTES.

- He gives up a Pawn. Who hath not lost a Pawn?
- He allows another Pawn to go.
- He takes a Pawn himself.
- He makes up his mind to risk taking another Pawn.
- Nothing better to be done. If K-B 3, Q-Kt 5 + &c, and White must submit to the loss of the Queen or be mated.
- R-K would have been preferable to the move made.

Facts are Stubborn Things

So is Bad Blood. The difference between them is that a fact is here to stay. Bad Blood can only stay until Burdock Blood Bitters is used, then it must go. It takes facts to prove this to your satisfaction, and we give them to you every time we catch your eye. Here is one of them. Don't throw the paper down, but read this letter from Mr. Fred. Taylor, a detective of Winnipeg. We present his portrait, together with that of his little daughter, mentioned in his letter.

FATHER AND DAUGHTER.

ONE OF THE GALLANT 90TH BATT.

DEAR SIRS.—Having felt out of order for some time, and having no energy or appetite, blotches on legs, tumor on neck—arising from impure blood, doctors doing me no good, I was induced to buy some B.B.B. I was very much against patent medicines at the time, having tried so many, but after using two bottles I began to get better, and at the fourth bottle was completely well and around again. I believe in B.B.B. now, I tell you. I send you a photo of myself and little daughter, Lilly. B.B.B. cured her of nasty blisters which came out on her lips. Yours thankfully,

F. TAYLOR,

Dr. J. C. Ayer & Co.,
Lowell, Mass.

Dear Sirs:—I have used Ayer's Hair Vigor for some time, and it has done wonders for me. I was troubled with dandruff, my hair was turning gray and falling out, so that I was rapidly becoming bald, but since using the Vigor, my head is free from dandruff, the hair has ceased coming out and I now have a good growth of the same color as when I was a young woman.

Very truly
Lydia O. Moody.

RUNAWAYS IMPOSSIBLE!

SAFETY GUARANTEED

ORNAMENTAL TO YOUR HORSE.

IS THIS POSSIBLE? YES, with the AUTOMATIC SAFETY BIT, any horse who ever starts to run away, be he vicious or running from fright, can be stopped without injury to horse, or driver. HARD-MOUTHED or PULLING horses driven with ease. Your horse CANNOT run away with the Automatic Safety Bit.

You have a handsome horse, bright and spirited, that you would like to drive but hesitate to do so as under certain conditions you feel you cannot stop him. With the Automatic Safety Bit you can drive him and stop him easily without the slightest injury or irritation to the horse. You have a handsome horse you would like to have your wife or daughter drive, but are afraid to do so, for fear they will not be able to control him. With the Automatic Safety Bit adjusted a fifteen year old girl can stop the most vicious horse without hurting the horse or in any way worrying or fretting him. The mechanism for stopping the horse does not act upon the bit proper, but through the outside of the bit on the nostrils, closing them and shutting off the horse's wind, and of necessity stopping him. Absolute safety from running away is guaranteed to anybody using these Bits. Simple in construction, easy on the horse and absolutely reliable. Circulars and testimonials will be sent you upon application to
