

# Cambridge

We have had for pupils persons attending the various universities of Canada and the United States, and we now have the pleasure of enrolling a student who is attending the University of Cambridge, England. In 1903 Mr. S. S. Nehru took a Latin course with us while at his home in Agra, India. In spite of the distance he completed his course in six months. He is now attending Cambridge University, but, mindful of the progress made with his Latin, he again seeks our assistance — this time for French. Why, you may ask, should a Cambridge student send to Ottawa for lessons in French? Because he desires to learn the language by the DeBrisay method. And that's a pretty good reason.

Courses by mail in Latin, French, German, Spanish. Fees, \$10.00.
