COMMENTARY

CTV Canada AM Dec. 14/84  
(Interview with Stephen Lewis)

Canada's ambassador to the UN, Stephen Lewis, says his vote against a nuclear freeze reflected the government's policy on the question, not his own, in keeping with NATO's position. But Canada is doing many things in the nuclear arena apart from the freeze such as resolutions on a test ban, nuclear winter and the renewal of the non-proliferation treaty.
