

What you know us for.

What you may not.

cod, haddock, herring, perch, sole,
flat fish, snow crab, mackerel, scallops, kippered snacks,
lobster, hake and more

Connors Bros., Limited is more than the world's leading sardine company. We're also a major force in the fishing industry. Whatever you're looking for in seafood—fresh, canned or frozen—Connors probably has it. And at sound, competitive prices. What's more, every one of our products meets the highest quality control standards. So you can be sure your shipment

is good. Right down to the last item.

With plants throughout Eastern Canada, sales offices in Boston, Toronto and Scotland, and a network of agents worldwide, we're well-equipped to service all your seafood needs. On time. Wherever you are.

For more information, contact one of the Connors offices listed below. And

find out what we're all about.
