

*Athabaska Election*VANCOUVER HARBOUR BOARD TERMINAL
ELEVATOR NO. 3

Mr. CAMPBELL:

For a copy of all telegrams, letters, and other correspondence between E. A. Buckfield, W. deB Farris, J. R. Murray, and the Vancouver harbour commissioners, or the government relative to the purchase or lease of the property adjacent to (or joining) No. 3 Vancouver harbour board terminal elevator (now under lease to the United Grain Growers) and upon which there has recently been erected an elevator and feed mill.

PORT HASTINGS-QUEENSVILLE, NOVA SCOTIA,
MAIL SERVICE

Mr. MACDOUGALL:

For a copy of all tenders received by the Post Office Department for conveying His Majesty's mails to and from Port Hastings and Queensville, in the county of Inverness, Nova Scotia. Also a return showing the names of all persons who tendered, the amount of each tender, along with a copy of correspondence, if any, from other parties in reference to said tenders.

CANADIAN NATIONAL RAILWAYS—FLIN FLON AND
HUDSON BAY MINES

Mr. SENN:

For a copy of all correspondence, telegrams, reports, orders in council, leases, agreements or other documents, relating to the construction of a railway into the Flin Flon mine or the Hudson Bay mine between the Department of Railways and the Flin Flon Mining Company and/or the Hudson Bay Mining Company, and/or their solicitors and agents; and any other department of the government.

Mr. DUNNING: Perhaps my hon. friend will agree to include, along with the Department of Railways, the Canadian National Railways. If that were done all the information respecting the matter would come down at the same time. This would be more convenient for the house and for everyone concerned. If the words "Canadian National Railways" were inserted after the words "Department of Railways," in the fourth line, it would accomplish the object. The government is very anxious to bring down the papers, and this amendment would enable it to submit them all at the same time.

Motion agreed to.

PENSION ACT AMENDMENT

[Mr. Senn.]

He said: His Excellency the Governor-General, having been made acquainted with the subject matter of this resolution, recommends it to the favourable consideration of the house.

Motion agreed to.

RETURNED SOLDIERS INSURANCE

He said: His Excellency the Governor-General, having been made acquainted with the subject matter of this resolution, recommends it to the favourable consideration of the house.

LEVELS OF LAKE NIPISSING

On the orders of the day:

Mr. JAMES ARTHURS (Parry Sound): I wish to direct a question either to the Minister of Marine (Mr. Cardin) or to the Minister of Public Works (Mr. Elliott): I have received several communications from my riding, and I have noticed in the newspapers a great deal of complaint, regarding the levels of lake Nipissing, which are presently controlled by a dam under, I think, the direction of the Minister of Public Works. Great loss will be sustained if the lake continues at its present level. Has either minister received any communication along that line, or will the dam be opened?

Hon. J. C. ELLIOTT (Minister of Public Works): I am not aware of any communications but I shall be glad to inquire and give an answer probably to-morrow.

ATHABASCA ELECTION—QUESTION AS TO MEETING
OF COMMITTEE

On the orders of the day:

Hon. R. B. BENNETT (Leader of the Opposition): We seem to have a good deal of difficulty in connection with the committee on privileges and elections. In Thursday's votes and proceedings there was notice that there would be a meeting of the committee on Tuesday, and in Friday's votes and pro-
