3. Received full pay in accordance with the regulations.

Re absences shown for fiscal year 1923-24:—

Prior to January 1st, 1924, each day, including Sundays and holidays was charged on sick leave owing to the fact that the regulations allowed sick leave by months; but the statutory leave was counted for working days only. This

[Mr. Euler.]

accounts in the year 1923-24 for the item July 16th to 31st being computed as 14 days statutory leave, whereas the item October 1st to 31st is sick leave and computed as 31 days.

MILITARY HOSPITALS—PATIENTS AND STAFF

Mr. ROSS (Kingston):

1. How many patients are there in each of the following:

Christie Street Hospital,
St. Anne de Bellevue Hospital, and
Westminster Hospital, London?

2. How many medical doctors are employed at each of the above hospitals?

3. How many individuals are on the staff of each of above hospitals?

4. How many chaplains have appointments at each hospital?

5. How many are on full time or part time basis at each hospital?

6. What are the denominations represented by chaplains and what is the salary and allowance of each chaplain?

7. What is the total annual cost of each hospital?

Mr. KING (Kootenay):
