

Adjournment Debate

and application of new technology by providing wage subsidies to firms and research institutes which hire recent post-secondary graduates who are unemployed or underemployed. Then there is the Local Economic Development Assistance program, LEDA, designed to assist selected communities experiencing high levels of unemployment to stimulate private sector employment through economic development.

These job-creation initiatives are in addition to a number of training program increments and reflect the commitment of

this government to expanded and productive direct job creation across the country.

[*Translation*]

The Acting Speaker (Mr. Ethier): Order, please. The motion to adjourn the House is now deemed to have been adopted. Accordingly, this House stands adjourned until tomorrow at 11 a.m.

Motion agreed to and the House adjourned at 10.10 p.m.
