

of concessions granted to Canada, based on United States imports from Canada for the calendar year 1929, and an outline of the principal agricultural concessions granted to Canada. If my right honourable friend does

not object to my shortening my remarks, I shall take this means of doing so, and shall pass the statement over to him, so that he may have it before him when speaking on this subject.

ANALYSIS OF CONCESSIONS GRANTED TO CANADA, BASED ON UNITED STATES IMPORTS FROM CANADA, CALENDAR YEAR 1929

Total imports.. . . .	\$503,000,000	Items of which Canada is principal supplier.	\$387,000,000
†Deduct non-commercial items.. . . \$	38,000,000	(Total value of items on which U.S. policy would permit negotiations.)	
Commercial items.. . .	465,000,000	Items directly affected.	308,000,000
Deduct items where Canada is not principal supplier.	78,000,000	Free entry assured.	221,000,000
Canada principal supplier.. . . .	387,000,000	Items subject of reductions.. . . .	79,000,000*
Free of duty (present laws).	253,000,000	Present low rates assured.. . . .	8,000,000
Bound by Swedish agreement.. . . .	16,000,000	Items indirectly affected—(upwards of)	16,000,000
Bound by Canadian agreement..	221,000,000	Wood pulp (certain kinds of which Canada is not principal supplier) continued free entry assured by Swedish treaty.	
Not bound.. . . .	16,000,000		
Dutiable (present laws).	135,000,000	Also a number of less important items.	
Duties reduced.. . . .	79,000,000	This list will increase as United States signs other bilateral trade treaties.	
Duties bound.. . . .	9,000,000		
Duties unchanged..	47,000,000		
†Non-commercial items include—			
Household personal effects.. . . \$	4,229,000	*Imports from Canada of articles on which duties were reduced were, in 1929, 94 per cent of the total imports of these commodities from all countries.	
Articles temporarily imported..	1,811,000		
Articles returned.. . . .	16,295,000		

OUTLINE OF PRINCIPAL CONCESSIONS GRANTED TO CANADA

AGRICULTURAL PRODUCTS

Live Cattle.—Reduction in duty ranging from 33½ per cent to 50 per cent. Most important class, weighing 700 pounds or more, reduction from three cents to two cents per pound up to 155,799 head of cattle. Almost all this quota will be allocated to Canada. Resultant average saving in duty will amount to around \$9 per head of cattle. Exports 1929, \$9,900,000; in 1934 they had fallen to \$4,000.

Calves.—Of less than 175 pounds each, duty lowered from two and one-half cents to one and one-half cents per pound. Quota 51,933.

Dairy Cows.—Reduction in duty from three cents to one and one-half cents per pound. Quota 20,000 head per year.

Cream.—Reduction in duty from 56½ cents to 35 cents per gallon. Quota 1,500,000 gallons per year. Exports 1929, \$5,000,000; 1934, negligible.

Seed Potatoes.—March to November reduction in duty from 75 cents to 45 cents per hundredweight. Other three months reduction

to 60 cents per hundredweight. Quota 750,000 bushels, which is three times current export.

Turnips.—Reduction from 25 cents to 12½ cents per hundredweight. Exports in 1929, nearly \$1,000,000.

Clover and Grass Seed.—Fifty per cent reduction on these items. Exports 1929, \$2,000,000; 1934, very small.

Maple Sugar.—Reduction from six cents to four cents per pound. Exports in 1929, \$2,500,000; 1934, less than \$500,000.

Hay.—Reduction from \$5 to \$3 per ton.

Horses.—Reduction from \$30 to \$20.

Live Poultry and Dressed Chickens.—Reduction 50 per cent and 40 per cent respectively.

Cheddar Cheese.—Reduction 29 per cent. Exports 1929, nearly \$2,000,000; 1934, \$140,000.

Apples, Strawberries, Cherries, Peas, Frozen or Canned blueberries.—Duties reduced.

Grains.—Ten per cent ad valorem rate bound on seed wheat and by-products of grain.

FISHERY PRODUCTS

Salmon (Pickled or Salted).—Reduction 25 to 20 per cent ad valorem.

Smoked Herring.—Reduction from 1½ to ½ cents per pound.

Eels.—Reduction from 1 to ½ cent per pound. Razor Clams (Canned).—Reduction from 23 per cent ad valorem to 15 per cent.

Lobsters and other Shell Fish.—Bound on free list. Exports: 1929, over \$3,000,000; 1934, approximately \$2,250,000.

Sea Herring and Smelts (Frozen or Fresh).—Bound on free list. Exports: 1929, \$1,250,000; 1934, \$893,000.

Halibut.—Reduction from 2 to 1 cent per pound. Exports: 1929, \$676,000; 1934, \$261,000.

Salmon (Fresh or Frozen) and Swordfish.—Reduction from 2 to 1½ cents per pound. Exports: 1929, \$659,000; 1934, \$719,000.
