

24
MCGILL UNIVERSITY

Montreal, January 20/21.

Dear Sir:-

Mining, Metallurgy & Geology Committee.

Will you consent to serve on a
Committee constituted as follows:

Mr. C.E. Neill, representing the Governors,
Dr. J.B. Porter,
~~Dr. J.A. Bencroft,~~ Dr Adams
Professor Mackay.

This Committee has been constituted
for the purpose of considering plans for a building
which will house the Departments of Mining, Metallurgy
and Geology.

As a result of your considerations
the Architect chosen will be better able to make his
plans. It is, of course, to be understood that any
conclusions reached must be submitted to the Board of
Governors for their approval before any definite action
as regards construction can be taken. I mention this
because I do not want the general body of teachers,
students or public to get any wrong impressions as to
what may or may not be done in the matter of a building
programme.

Mr. Neill will call the Committee
together.

Yours faithfully,

Principal.
