

May 19, 1934.

Dear Mrs. Warren,

I am sending you herewith the file from this office regarding the letters sent out last year asking for historical data to be contributed to the McCord Museum. I think you should have these letters in your files, to follow up if necessary.

Please note particularly letter from Mr. Fred Claxton and the four documents enclosed as mentioned therein. Apparently we should have sent these on to Mr. McDermot last spring. Sir Arthur acknowledged their receipt to Mr. Claxton.

Yours faithfully,

Principal's Secretary.

Mrs. Dorothy Warren,
The McCord Museum.
