BELLEVUE HOUSE—FRONT VIEW.

" THE BELLEVUE HOUSE "

Temiskaming Station, Quebec.

J. McCOMBIE, MANAGER.

This House is a high-ceiled, roomy, new building, purposely erected to supply the requirements of a class of people visiting Lake Temiskaming, on pleasure bent more especially, and on business.

No money has been spared, either in the building of it, or the furnishing. It is carpeted throughout, hot and cold pure spring water, supplied by gravitation, on all floors, baths, etc., electrically lighted, and is situated on elevated ground, in the midst of trees and shrubbery, (affording splendid shade) close to and overlooking Temiskaming Station and the Lake, in front.

A few feet distant in a separate building, is the " Recreation Hall," containing Billiard Room, Bowling Alley, " Sample Room," and Reading Room. Up stairs is a Concert Hall or Ballroom, Coat and Cloak, and other accessory rooms.

The Recreation Hall is 35 feet wide and 87 feet long, with a wide verandah all round it. The Concert or Ball Room is 31 feet wide, 54 feet long, and 14 feet high, inside measurement. Broad staircases give access to the Hall. There are facilities for Lawn Tennis and Golf.
