2. STIPEND PAID.

In adding this table I remark: 1. That it shows how per-centages may be sustained. 2. That I deduct from the Free Church item for 1855 the sum of \$1,200, being a very moderate estimate for stipend promised over stipend paid, contained in the returns. 3. That the stipend paid in 1866 is the result of a special effort to the amount of at least \$4,400.
