

1. That the members of this Committee are moved with heartfelt gratitude to Almighty God for the general success with which he has hitherto crowned the blessed work and labours of this, the first Colonial Church Society, and they now beg leave to commend that institution and its objects to the labours, interest and fostering care of their fellow-Churchmen throughout the Province.

2. That this Meeting desires to bear its humble testimony to the value and usefulness of the Books and Tracts circulated by the Church Society in this Settlement; and that the Parish Minister be requested to ask the General Committee for a grant of religious publications suitable to the present need of the people.

The Missionary also states, that owing to severe snow storms, the meeting of the Glenelg Committee was postponed until the 2d instant, when resolutions similar to the above were adopted. Here, in Nelson, £7 2 7 has been collected for the furtherance of the Society's objects; but when this Parish and Blackville (from which the sum of £3 6 11 has been received) are favoured with a resident Pastor, a hope long cherished and now about to be realized, and his whole heart and soul devoted to their spiritual wants, it may reasonably be expected that larger offerings will be cast into the Treasury of the Society, and the Church of Christ, which it is its object to extend, will diffuse her mild influence to the increase of true religion in this and the adjoining settlements.

The Contributions for the past year from this poor district are as follows: Point Escuminac, 9s.; Glenelg, £5 19 10; Newcastle, £5 4 2; Nelson, £7 2 9; Blackville, £3 6 11; Ludlow, 17s.; Boies Town, 5s. 6d.; Sunday offerings after Churchings, 11s. 10d.; Books sold, £1 19 3. Total, £25 16 4.

GRAND MANAN.—Rev. G. T. Carey has enclosed through Dr. Alley, £3 15, for general purposes of the Society, and requests a grant to aid in the repairs of the Parsonage House.

HAMPTON.—The Rev. W. Walker is happy in being able to report a large increase in the Contributions for this Parish. These are in all, £42 2 4, of which the sum of £14 is limited to the Widows and Orphans' Fund.

HOPEWELL.—Rev. R. D. Palmer has enclosed the following resolutions, passed at a meeting of this Local Committee, held on the 4th instant.

1. This Committee deeply impressed with the necessity of a resident Clergyman, and thankful to the Society for the assistance it has hitherto rendered, earnestly solicit a continuance of its support, and also ask for a further grant of books, which are the means of doing much good.

2. That although the Contributions in this Mission fall short of those of the previous year, yet we have reason to hope they will increase as soon as the present pecuniary difficulties are passed, as many for this reason are reluctantly compelled to diminish their subscriptions.

3. That as this is, in all probability the last time the present Missionary will preside at the meetings of this Committee, we consider it a duty we owe to the Parent Society, as well as to the Reverend gentleman himself, to express and have recorded our satisfaction at his conduct as a Clergyman, and of his zeal in the discharge of his duties, and are thankful to the Lord Bishop for sending him among us.

Contributions amount to £5.

HOWARD SETTLEMENT, CANTERBURY.—Rev. J. Hartin, in behalf of this Mission, respectfully requests aid towards building a Church. A suitable site has been offered and subscriptions already obtained in the Parish to the amount of £100. The estimated expense of the building, capable of seating 150 persons is £300.

He most sincerely thanks the Society for the continued support to this Mission and for the Books.

"In addition to my labours in Canterbury" Mr. Hartin writes, "I still continue to officiate in the M'Ilroy Settlement, and pay occasional visits to
