

EXTRACTS FROM MISSIONARY REPORTS.

BOURG LOUIS.

In the month of January last, I was sent as Deacon to this Mission, from which the Rev. F. J. Cookesley had been obliged to retire in failing health. I am happy to state that there are at present three hundred and twenty four members, who are firmly attached to the Church, and doing their best to further its welfare. The Mission is nine miles square; and part of it is very rough. I hold Divine Service twice every Sunday, and superintend a Sunday School in the afternoon. The school is well attended and progressing favourably. In the month of February last, I took possession of a well built Parsonage, erected mainly through the exertions of my predecessors, but I regret to say, that it is as yet very uncomfortable, though the Bishop has kindly given me a very handsome sum to complete one of the rooms. The Parsonage is built on the glebe, which is opposite the church. The glebe contains 90 acres which are of little or no value to the incumbent, because we have no funds at our disposal to clear and make it fit for cultivation. The parishioners are very willing to give the full amount of their quarterly or yearly assessment in farm produce to their minister.

J. G. MACCARTHER.

BURY.

In presenting his report for the present year, the Rev. THOMAS RICHARDSON, would like to notice one or two incidents that took place the preceding year.

As nearly every one who is at all acquainted with this Diocese is aware, the Mission of Bury consists of the Townships of Bury and Lingwick, in which are four Churches, St. Paul's, St. John's, St. Thomas, in the Township of Bury, and St. Peter's in the Township of Lingwick.

Two of these, St. Paul's in the Village of Robinson in the Township of Bury, and St. Peter's in the Village of Gould in the Township of Lingwick were consecrated last summer twelve-month, by the Lord Bishop of Quebec, when two young persons were confirmed at Lingwick, and twenty four at the new Church at Robinson.
