Garretts made little headway, a total of 40 only being reached. Claughton, top scorer, was missed when he had made one run. Apart from this slip, the fielding of the O.C.C. was exceptionally good. F. Murray pulled off three splendid catches. R. Scott in long field with one catches, R. Scott in long field with one hand secured another brilliantly. T. R. Smith and D. Murray also excelled in the chances they accepted. The O.C.C innings closed with their score at 100 for two wickets. D. Murray, altho favored with three "lives," performed effectively with some very smart and hard hitting. His 57 (not out) included eight fours and only two singles. W. Blackwell and F. TORONTO POLOISTS TROUNCE BUFFALO

Queen City Team Excelled Their Opponents at Riding and Marksmanship.

On Saturday at the Woodbine the Toronto poloists won their first interscore of 61/2 to 11/2 points. A society event, with all the thrills of a circus ring combined, the Toronto public thronged to see one of the most animated and skilful games ever played The reckless riding of the players and the manoeuvres of the ponies were wonderful and the large crowd were on their feet half the time expecting to see an accident occur, but luckily nothing happened, altho several times they were very narrowly averted. First period—The Canadians opened with a rush and scored right on the start. After some sharp end to end play, the Americans evened it up just as the period finished. The second as the period finished. The second period saw the Torontonians do some pressing which resulted in two tallies, altho early in the period Buffalo were hovering around the Queen City goal, but failed to score. Major Bickford, the local captain, scored his fourth goal in the third period by a spirited dash while Buffalo were penalized a quarter point for hitting into safety behind their goal when another goal looked eminent. The fourth period was replete with some very fast rid. was replete with some very fast riding, and also some poor work around the goal Buffalo especially failed badly in this particular, missing two other tally, but each team were pen-alized a haif point for fouls. Roy Nordheimer replaced Beardmore in the fifth period, and he succeeded in scoring after a combined effort had proved futile on the Buffalo goal, Buffalo again were penalized a half point. The score at the end of the point. The score at the end of the period stood Toronto 5½, Buffalo minus ¾. No scoring took place in the sixth place, and the play was rather slow. The seventh period saw the visitors display some real life and they pressed the locals so hard that they secured two goals before the period ended. In the final period both teams worked hard and some great indicating at a second of the secon jockeying, etc., was seen. Toronto scored in about two minutes and were able to keep their opponents from get-ting another tally. The game finish-ed Toronto 6½, Buffalo 1¼.
