

SCHEDULE

Memorandum of Agreement made in London on the 26th day of March, 1956.

BETWEEN
THE GOVERNMENT OF CANADA, represented by the Honourable J. W. Pickens, Minister of Citizenship and Immigration, hereinafter referred to as "Canada";

AND
THE GOVERNMENT OF THE PROVINCE OF NEW BRUNSWICK, represented by the Honourable Norman B. Dickson, Minister of Lands and Forests, hereinafter referred to as "the Province";

EXPLANATORY NOTE.

The purpose of this legislation is to ratify and confirm an Agreement made on March 26, 1956, between the Government of Canada and the Government of the Province of New Brunswick in relation to lands forming part of Indian Reserves in the Province of New Brunswick.

Whereas the Federal Government of the Province of New Brunswick has by Indian Reserves laws that grant their rights or interests in lands reserved by the Indians, title to the said lands becomes vested in the Province of New Brunswick; and

Whereas as a result of the sale of Indian lands by Her Majesty the Queen in right of the Province, many persons now hold lands in the Province of New Brunswick with defective titles and are thereby occasioned hardship and inconvenience;

Now this Assembly Whereas that the parties hereto in order to settle all outstanding questions relating to Indian Reserves in the Province of New Brunswick and to enable Canada to effectively deal in the future with lands forming part of Indian Reserves in Canada mutually agreed and subject to the approval of the Parliament of Canada and the Legislature of the Province of New Brunswick as follows:

1. In this Agreement
- (a) "redemption" includes all the right, title and interest of Her Majesty the Queen in right of the Province of New Brunswick except mineral rights and water power rights;
 - (b) "mineral rights" means the interest of the Province in any minerals including salt, oil, natural gas, industrial earth, carbon or peat or peat the base of which is found in the soil, the veins, deposits of iron, sulphate of iron, gypsum, coal, bituminous shale, asbestos and uranium, but not including sand, gravel and mica;
