

1. The clerk of every municipality shall enter in a convenient index book, in alphabetical order, the name of every person who has given, or may hereafter give to him or any former clerk of the municipality notice in writing that such person is a Roman Catholic and a supporter of a separate school in or contiguous to the municipality, and shall enter opposite to the name the date on which the notice was received, also any notice by such person of withdrawal from supporting a separate school, with the date of such withdrawal; or any disallowance of the notice by the court of revision or county judge, with the date of such disallowance. Such index book shall be open to inspection by ratepayers.

2. The clerk shall enter in the same book all such notices hereafter from time to time received by the clerk.

3. It shall be the duty of the clerk to file and carefully preserve all such notices which have been heretofore received, or shall hereafter be received.

2. In the case of a municipality in which there are supporters of a Roman Catholic separate school therein, or contiguous thereto, there shall appear on the assessor's notice to every ratepayer, "You are assessed as a separate school supporter," or "You are assessed as a public school supporter," as the case may be.

3. Where the list required by the first section of this Act is prepared, the assessor is to be guided thereby in ascertaining who have given the notices which are by law necessary, in order to entitle supporters of Roman Catholic separate schools to exemption from the public school tax.

4. The statement made under the second subsection of the 48th section of *The Separate Schools Act*, the 120th section of *The Public Schools Act* or the fourteenth sub-section of *The Assessment Act*, means, and always has meant, a statement made to the assessor on behalf of the ratepayer by his authority, and not otherwise.

5. In case after the final revision of the assessment roll, by some mistake or inadvertence any ratepayers have been placed in the wrong school tax column, either as supporters of separate schools or supporters of public schools, it shall be competent for the municipal council to correct such errors, by directing the amount of the tax of such ratepayers to be paid to the proper school board. But it shall not be competent for the council to reverse the decision of the court of revision or the county court judge as to any ratepayer.

2. In case of such action by a municipal council the ratepayer shall be liable for the same amount of school tax as if he had in the first instance been entered on the roll properly.
