Toronto Swimming Club.
The Toronto Swimming Club will run
the first of the season's races this afternoon
at Hamilton's Point. Program:
100 yards, handicap—Organizing life sav-
ing and water polo race, to be called at
3.30 p.m. All members and those inter-
ested in swimming are requested to be
present. The boys are enthusiastic over
the warmth of the water this year, it
being much warmer than in previous
years.

Secretary Leonard Smith, of the
Young Toronto team, has written a long let-
ter to the press, in which he explains
the playing of Dandeno and Barnett on
the Young Toronto team in New York.
He states these two players merely
went to New York because the team did
not have twelve men, and that their
names were kept off the list for fear
enemies at home would make a lot out
of their playing.
