### BEDFORD PARK WANTS POST CARRIER SERVICE

York Township Council Promises to Help Residents Get One.

York Township Council met yesterday afternoon, Reeve Fred Miller presiding. advice regarding the installation of

afternoon. Reeve Fred Miller presiding.

A deputation asked for assistance or advice regarding the installation of such service is that the reason given by the postoffice authorities for the lack of such service is that the streets are not properly named and numbered. The reeve characterized the statement as a "bluff" on the part of the authorities, as other districts with all streets named and numbered did not have carriers.

Instructions were given to the deputation to prepare a list of street names and to present it to the council as soon as possible, when the necessary action will be taken.

Mr. McBeth asked the council, on behalf of the ratepayers of Swansea, for information regarding fire protection for the district and for a grant toward the organization of a volunteer fire brigade. The council assured the deputation that arrangements had been made with the city to provide protection for Swansea until such time as a satisfactory solution of the problem could be found. In reply to a very definite complaint against the rate at which sidewalks were being laid the reeve made various emphatic statements to the effect that no more wooden or other temporary sidewalks were to be laid. Cement walks would in future he made in the first instance.

Protection Against Fire.

A report of an investigation of the fire protection for the file cabinets, papers, etc., in the treasurer's office was read and existing measures found inadequate. Recommendations were made to install a cabinet which would meet with approval of the underwriters.

Silverthorne G.W.V.A. again brought up the case of Mrs. Harkness, widow of a local soldier. All the widow's capital and pension had been expended to make the necessary repairs. The children are sick and the house is still in bad condition. The deputation was advised to apply to York County soldiers' relief committee.

The matter of cemeterly

Munition Works on Sale at the Imperial Munition Works on Lappin avenue.

Building is Active.

Wm. Deever, building inspector, reported that value of building permits issued by the township during February totaled \$124,620. Seventy-four permits were issued. They are as follows: 50 dwellings, 2 stores and dwellings, 4 storefront additions, 13 alterations, 6 garage, 2 stables and 1 blacksmith shop. Rev. E. Crossley Hunter, assistant pastor of the Earlscourt Central Methodist Church, officiated at the funeral service of the late Mrs. Gladys Prince, who was buried from her late home on St. Clarens avenue yesterday afternoon. Interment was in Prospect Cemetery. A large number of wreats were sent.

sarage, shop.

The Hydro bylaw will be submitted to the ratepayers on Saturday, April 5. All returning officers are appointed. A money bylaw authorizing expenditure of \$200,000 will be voted on at the same

After some discussion the solicitor was instructed to take up the matter of voting by ballot in the case of elections of rural school trustees and endeave to have an amendment to the public schools act passed to that effect.

A request of the trustees of Dennis avenue school for \$10,000 debentures to complete a six-room school was received, and the council decided to issue \$10,000 20-year debentures at 6 per cent. The matter was referred to the solicitor to prepare a bylaw authorizing this.

There will be a special meeting of the council during the week to complete arrangements for the coming vote.

#### BEACHES

Under the auspices of the Epworth Leagues of the Methodist body, a series of debates is at present being heid in the various churches thruout the east end Last evening the leagues of Donlands and Beach Avenue Churches debated in the school room connected with Donlands Church. The subject was concerning the nationalization of the Canadian railroads.

#### SIR ADAM TO OPEN BYLAW CAMPAIGN

Will Speak on Thursday Night for Hydro Radial Movement.

Congestion in Earlscourt Disgiven its official and initial School congestion in Earlscourt was discussed at a public meeting held in

School congestion in Earlscourt was discussed at a public meeting held in Earlscourt public school last night under the auspices of the British Imperial Association J. R. MacNicol occupied the chair. The bone of contention was, should a new school be bait on Glenholme avenue or an annex put to the Earlscourt public school at a cost of 8t.,000?

"Educational suicide," was the expression used by Alex. Craig when speaking on the proposed annex school which he opposed.

Ladies at the meeting were opposed to their children having to cross four car tracks for the purpose of obtaining instruction in manual training, and domestic science.

Inspector Cowley said that if the responsibility of Toronto school conditions rested upon him he would certainly feel alarmed.

According to Mr. Cowley there were sixty-six Toronto schools in which not a vacant room existed, and six hundred and eighty-six children's names were on the roil over the number in December. The last year or two, declared the speaker, twenty-three thousand children had been added to the total of the city schools. The speaker was of the opinion that Earlscourt was entitled to a new school rather than an addition to this North Dufferin street school lot. In regard to the location of school sites, that was not a matter for him to decide. As to the \$60,000 that was set apart for Earlscourt school extensions in 1915, which was said to have gone astray. He thought the money had been used by the board of control for other purposes, and no doubt an investigation would be made to clear up the matter.

Dr. John Hunter, Trustee John Laxton, Geo. Wills, H. Parfrey, Peter Brooks, Wm. Carter, R. J. Kiik, also spoke. Despite the fact that association, outlined his preliminal plans this afternoon, which include securing a number of halls where the bylaw will be discussed frankly and intelligently. It is not the intention to confine the meetings only to those in favor of the bylaw, but those who find fault with it, and they will also be

given every opportunity to place the arguments before the ratepayers.

Bylaw is Favored.

With the bylaw to be voted on two weeks' time, interest in the contest is beginning to grow and the indications are that before dications are that before March the public will be at fever heat, the present time the bylaw appears the present time the bylaw appears of be very much in favor and one of the incidents that have helped the cause of "public ownership" was the methed ods used by the Hamilton Electric Radia; Company to try and force higher schedule of rates upon the town of Burlington. The action of the corporation in stopping its cars showed the public just what little influence they had in forcing a railway corporation to live to its franchise.

Pte. William Black of Earlscourt avenue, is one of the recent arrivals from the front, and was present at the Men's Own Brotherhood of the Central Methods: Church on Sunday afternoon. Pte. Black enlisted in 1916 and has been in several engagements in France and Belgium but has escaped injury. He returned home on the Campania and had nothing to complain of in the matter of food and general comfort. several engagements in France and Belturned home on the Campania and had nothing to complain of in the matter of food and general comfort.

The funeral of the late Rose Wilcox of 549 Oakwood avenue, Fal. bank, took place yesterday from the Fali bank presbyterian Church, Pastor Rev. J. A. Miller officiating. Miss Wilcox was killed by an automobile as she alighted from a westbound steet car on Bisor and Palmerston.

John Warren, driver of the auto, 14 Buchanan street, is under arest on a charge of criminal negligence. Much sympathy is expressed for the bereaved family.

that the radial line will furnish.

Commission to Co-operate. A new hardware store is in course of erection on West St. Clair avenue near Lansdowne avenue, and another apart ment house is to be built on the same avenue west of Oakwood avenue. The building is estimated to cost \$50,000. On the south, near Regal road, new houses are to be erected, the necessary permits having been granted by city hall. stating that with the city on the matter of an entrance in order that the scheme for the common right-of-way would not be hampered, the Hydro officials have removed considerable trouble from the path of the bylaw. Another agreeable feature is that while the city has to furnish any right-of-way that the commission may require, the expenses of the right-of-way come out of the of the right-of-way come out of the original guarantee of nearly six mi

lion dollars. While these agreements have not been inserted in the bylaw, the city council will receive them in writing before March 15. It is also pointed out in connection with the financia; end of the matter The regular monthly meeting of Riverdale Ratepayers' Association will be held in Leslie street school this evening, when Ald. W. W. Hiltz will report progress on the East Gerrard street "Devil's Hollow," and Percy M. Douglas, of the Board of Education, will speak on the overcrowded condition of Leslie street school. L. W. Mullen, president, will preside. that Hamilton has not got to put up one cent. Hamilton has only got to guarantee bonds and the Hydro-Electric Railway Association of Can-ada will raise the money on a railway one cent. Hamilton has only guarantee bonds and the that runs thru the most thickly pop-ulated and richest section of the Dominion. The ratepayers know that when Hydro was first brought to when Hydro was first brought to Hamilton they had to guarantee bonds, but that they have never yet

The Men's Bible Class of Rhodes Avenue Presbyterian Church was recently reorganized with D. Chapman elected president, and a strong committee, largely composed of returned soldiers. The class, which was discontinued during the war owing to the number of men who enlisted, was a prominent feature of the church's activity. The president is a returned soldier, and the class meets every Sunday in the church at 3 p.m. Rev. Dr. Cocks is teacher.

Hamilton they had to guarantee bonds, but that they have never yet had to hand over any of their own money.

While there are great influences backed with large capital, striving to bring about the defeat of the bylaw in Hamilton; as the campaign progresses and many of the assertions of the oppositionists are shown up to be merely campaign literature, there is every likelihood that the demand for Archdeacon Canham presented prizes won by Mrs. Scott's three little children, pupils of St. Barnabas' Sunday School, at a social evening held at 704 Pape avenue, recently.

The some time past the seating capanouth to mouth and door to door, and and Influence.

For some time past the seating capacity of Rhodes Avenue Presbyterian Church has been overtaxed to provide accommodation for the steadily growing number attending the services. The question of enlarging the building will be discussed by the board of management at an early date.

Tremendous campaign going on mouth to mouth and door to door.

Colds Cause Grip and Influences move the cause. There is only one "Brome Quinine." E. W. GROVE'S signature on the bary date.

#### HAMILTON NEWS

Hamilton, March 3 .- There is much opposition to the proposal that part of the \$25,000 raised by debentures for the establishment of bathing facilities at Dundurn Beach be diverted for meeting of other parks board expenditures.
Dr. H. L. Brittain in a speech here tonight strongly condemned the "tendency" thruout the country to erect memorials as tributes to the soldiers.
The Property Owners' Protective LEASIDE

Leaside a well-attended concert was held last night in the parish hall. A program of solos, dialogs and sketches was cleverly rendered by local talent. Rev. J. M. Lamb, rector, presided. The proceeds will be devoted to the church building fund.

Morials as tributes to the soldiers.

The Property Owners' Protective League is refusing to give information to newspapers which criticize its opposing the Hydro radial bylaw.

At the 66th annual "orphans' festival," held tonight in the Grand Theatre, it was suggested that there be a public campaign to raise money to wipe out the three thousand dollar deficit of the institute.

The police commissioners at a meeting held tonight raised four constables to rank of full sergeants.

Major-General Emilio Guglicluopp will address the Canadian Club of Hamilton on Friday night.

#### PINE ORCHARD

The regular monthly meeting of the Danforth Poultry Association, which was to have been held last night, is postponed until next Monday, when the busiponed until next Monday, when the busiponed until next Monday, when the busiponed of the property of the Disciples' Church, Pine Orchard, was closed on Sunday on account of the "flu". Hope Methodist Church, two miles to the be held in Playter's Hall, Danforth avenue. D. K. Crook, president, will be in the chair,

Chas, H. Willoughby, warden of York County, is confined to his home with an attack of "flu." The North Gwillimbury council meeting, which should have been held yesterday, has been postponed on account of the recurrence of the epidemic in the district
