Montreal Scores Victory on McGinley---Mitchell Making Errors on Toronto and Montreal Split Up Double Third---Kelley Again in Game.

MONTREAL, July 28.—(Special.)—On account of rain the Buffalo-Montreal double-header, scheduled for Saturday, had to be postponed, but to-day the Royals and Torontos played two games, each cord:

Toronto dropped one of the double-neader on Sunday to Montreal but still lead by a comfortable margin. Providence and Baltimore also split up their pair. Jersey City fared the best of all the Sabbath-breakers, winning from Newark. Buffalo and Rochester did not play. Record: team winning one. Montreal took the first game, 9 to 2, and lost the second, 8 to 3. Herbst and McGinley were the opposing pitchers in the initial struggle, but McGinley was bumped so hard that he was benched in the seventh, Mitchell replacing him. The Birds hit Mitchell's offerings hard, but could not score. The hitting of Joyce, Morgan, Corcoran and City, Baltimore at Providence. Herbst was effective. Mitchell played a poor game in the field, two errors being chalked up against him. Herbst started Time-2.00. chalked up against him. Herbst started in to pitch the second game, but got in wrong. A base on balls was responsible for one run in the first inning, and in the second a hit by Frick and errors by Herbst and Rodgers, boosted the visitors along, and Stanley replaced Herbst. Flynn at first had a bad day, three errors being counted against him. Morgan hit one of the longest home runs ever seen here. The scores follow:

DETROIT'S CLOSING DAY

Claty Latis Captures M. and M. Consolation - Circuit Horses Go to Cleveland,

DETROIT, July 27.—W. W. Cox, the New England reinsman, won two races at Grosse Pointe to-day. First Cleo S., then Alleen Wilson, was favoite in the 2.10 pace, while Cox's horse, Thornway, sold for \$5 in \$51. Cleo S. led in the stretch the first time, but Thornway beat her handliy at the end. Next time Alleen Wilson made the pace, but Thornway poked his head in front in the last few strides, lowering his record from 212½ to 2.0%. The third heat was a repetition in slower time. Cox also scored with The Friend, which closed a favorite over the field of 2.0% pacers. He stepped the first heat in 2.0%, and in the second heat also had no trouble. The third heat found Cascade out in front, where he stayed. The 2.12 trot saw Berico, fresh from the held at \$50 to \$30. The M. and M. consolation was not much, for Claty Latis won easily, showing that she is a high-class mare. She trotted the third heat in 2.0%, fast enough to have won the main stake any year but 1901 or this year.

Complete réports of Saturday's lacrosse

However, it is doubtful if the Tecum-sehs could have beaten the Irishmen un-der more favorable conditions, as the wearers of the green certainly played great lacrosse and are entitled to all credit for winning. From Tierney in goal to Hogan at inside home, there was not a weak spot on the team, and every man played as if his life depended on the result of the game.

On the other hand, the Tecumsehs did not all play up to their best form. Bun Clark in goal was at his best, and Dad Stuart at cover never played better. Rowntree and Querrie in the field each played stellar lacrosse, but the others did not shine to any extent. Probably the reason for this is that the Shamrocks covered their men all the time and checked closely.

At Brantford the Guelph Junior C.L. A. team was trounced by the locals by 18 to 6.

At Acton, in the intermediate C.L.A., Galt won by 6-5. At full time the score was 5-5, and 10 minutes' overtime had to be played.

ahead—the one next Saturday at Ottawa, and on Aug. 31 with Nationals in Montreal. The two remaining games they have to play are at home, with Nationales Aug. 10, and with Capitals Aug. 17. They should win both home games, but the other two are decidedly doubtful.

The Shamrocks seem to be the only team in the N. L. U. that is running to form. On dope, the Tecumsehs were a 1-to-2 shot before last Saturday's game but, then, that lacrosse dope is bad. About 200 Shamrock supporters followed the team up from Montreal on Saturday. The train was a long one, being composed of 16 cars, and was almost three hours late in arriving. The players traveled in a private car.

ed in a private car. Paddy Brennan in particular, and all the Shamrocks in fact, received congratulations Saturday night at the Union Station before the train left for Montreal, and as the train pulled out three rousing cheers were given, which left the impression that the Irishmen had a good many supporters in Toronto.

The Nationals gave Jimmy Murphy's n en a severe honing in Montreal. They made a run-away game of it and when the end came there were no less than 20 goals to the credit of the Frenchmen, while the boys in blue got five. The Torontos seem to be in and outers

The Irishmen play equally as well away from home as they do on their own field. They played do-or-die lacrosse from beginning to end, and that style usually it to him.

There were some funny incidents in the match. The referee did not have a whist tell till the third quarter and he had to use his lungs to start or stop play. Finally somebody found a whistle and gave it to him.

The officials—Referee Joe Lally and Judge of Play Dr. Irvine—no doubt meant to be impartial, but their system of handling a game worked to the disadvantage of the Indians.

The timekeepers were without a gong for quite a while and had to holler to the referee when time was up. The janitor of the club came to the rescue with a dinner bell. The crowd was small, but the few who attended were very enthusiastic.

Next Thursday Harry Cameron's braves from Beaverton go to Newmarket to play an intermediate game. A great amount of interest is centred in the contest, which promises to be a hot one. A special car will be run on the Metropolist tan for Newmarket, leaving at 1.30. Tickets can be had of W. H. Hall, secretary of the absence of an official to hand out a joit or a jab, and they usually got away with it.

until the last day in August, there may be some change in the positions of the leaders by that time.

Of the five games the Shamrocks have still to play, three of them are on their own grounds, with Nationals, Torontos and Capitals. These all look like wins for the Irishmen. Next Saturday they play the Montrealers on the latter's grounds, and this should also result in a win for the green shirts, so it looks now that it is up to Cornwall to break up their march to the mug.
