Spanish Lose Forty Men - Two Cubans Killed and Four tertain proposals for an exchange of Lieut. Wounded - One American Wounded - Spaniards Lose a American coller Merrimac was sun. Strong Position and a Water Supply - A Trying March Under a Tropical Sun Prostrates Some Marines.

WAR NEWS PARAGRAPHED.

Admiral Camara, commander of the Cadiz squadron, says his fleet is not strong enough. There appears to be something wrong with al-most every ship.

Senor Aunon, Spanish Minister of Marine, confesses that he is helpless to deal with the confusion, incompetence and corruption of the naval

There are persistent rumors that Germany contemplates some sort of intervention in the Philippines, and the latest is that she is endeavoring to induce Austria and Italy to join her to work against the United

Some reports from Havana tell of great misery there, while others say the situation is not bad. Some people are asking whether or not Germany may repeat the Kiao Chou act on the United States.

It took a week to embark 15,000 troops at Tampa, and now Washington people are wondering how long it will take to land them on Cubin soil. Yesterday it was reported that the transports had only got twelve miles away from Key West at noon. It has become evident to the officials at Washington and the army officers that the landing in Cuba will be no summer afternoon matter.

The men who took part in the Merrimac expedition are all promoted to good positions in the navy. Lieut, Hobson, the leader, will be dealt with

Yesterday it was reported that there were 17 U. S. men of war be-fore Havana, and that the number before Santiago had been reduced. It is supposed some have gone to have damages repaired. A New York World despatch says Great Britain has informed the United States that when she captures Cuba Spain will be forced to end

Admiral Sampson reports that the Cubans are co-operating with the Americans at Guantanamo, and that matters are satisfactory.

HAVANA POOR SUFFER. or seven miles, Licut, Col. Huntington

Who Has Just Returned Home. World.)-A Kingston, Jamaica special to of the marines, and before the battle ation, Reading, Pa., who arrived here on ever, to reach the position before the fightthe British cruiser Taibot, said in an interriew to day that the condition of the poorer classes in Havana is fea ful. Breat is absolutely unavailable. The Spanish solution of the poorer classes in Havana is fea ful. Breat is absolutely unavailable. The Spanish solution of the poorer classes in Havana is fea ful.
