LEGAL RULING.
A stated case with reference to St. Thomas voters, the question being whether freeholders or tenants whose ownership or tenancy commenced after the final revision of the assessment rolls of 1927 had a right to be placed on voters' list for 1928, also was decided yesterday at Osgoode Hall. The court answered "Yes" in the case of freeholders, and "No" in the case of tenants.

HACKMEN'S UNION.
The newly organized Hackmen's Protective Union held a most successful meeting in Labor Hall, and elected officers for the year as follows: President, A. J. McCrae; vice-president, Wm. Land; secretary, P. O'Meara; treasurer, James Webb; inspector, Amos Harris; sentinel, Wm. Higby; auditors, W. Donoghue and Jas. Stone; delegates to trades and labor council, A. J. McCrae, Wm. The new union will hold its meetings in Labor Hall, and from the interest manifested by the members its success would seem assured. Union badges will be worn by members of the union to distinguish them from non-union men, though nearly every hackman in the city is now affiliated, and the balance will probably come in at the next meeting.

AN ASSURED SUCCESS.
The success of the Calico Ball to be given for "sweet charity's" sake, is now assured. A general meeting of all committees was held yesterday morning, and gratifying reports were made.

It has been decided that married people who raise clubs of ten will be furnished with ten tickets at \$3 each. This will only apply to married couples. Wood, Messrs. J. Hunt, T. H. Carling, C. S. Hyman, H. E. Gates, Adam Beck, R. Lind, E. Masurel, N. P. Graydon and Frank Reid.

HAPPILY WEDDED.

The marriage was solemnized this morning at St. Peter's Cathedral, by Miss Ellen Durnion to Mr. Edwin Nicholson, a popular Cuban employee of the Valiens Cigar Company, city. The bridesmaid was Miss Martha Durnion, sister of the bride, and the groom was assisted by Mr. John Durnion. The ceremony was performed by Rev. Fr. Tobin. An adjournment took place after the ceremony to the residence of the bride's parents, where a dainty wedding spread was in waiting. The house had been prettily decorated with flowers and foliage, and presented a very festive scene. The happy couple left in the afternoon for Chicago and other points, on their honeymoon. Many handsome and costly presents were received, speaking volumes for the esteem in which the young couple are held.

"RIP VAN WINKLE."

The comedy of "Rip Van Winkle" and the name of Jefferson combined to draw a large audience to the Grand last night. The cast included four of the famous Joseph Jefferson's sons, the being taken by Mr. Thomas Jefferson. Thomas isn't Joseph by any means. Still, the young man has talent, which appeared to the best advantage in the third and fourth acts, when he furnished some first-class comedy. The second act was more of a farce. Miss Edna Carey made a comely Gretchen, and was sufficiently vigorous as the terminant. Joseph Jefferson, jun., as Derrick, did good work, but the remaining members of the company were not strong, rendering the performance, however, it was a pleasing production, and was effectively staged, the forest scene being well managed. The Grand Opera House Orchestra provided an exceptionally fine programme, including a cleverly composed two-step, "The Country Club," by Mrs. Hatton-Moore, of this city.

THERE is not a more dangerous class of disorders than those which affect the breathing organs. Nullify this danger with Dr. Thomas' Eclectic Oil—a pulmonary, of acknowledged efficacy. It cures soreness and lameness when applied externally, as well as swelled and crick in the back; and, as an inward specific, possesses most substantial results.

The happiest life is that which constantly exercises and educates what is best in us.—Hamerton.

Why will you allow a cough to lacerate your throat or lungs and run the risk of filling a consumptive's grave, when, by the timely use of Bickel's Anti-Consumptive Syrup, the pain can be allayed and the danger avoided? This syrup is pleasant to the taste, and unsurpassed for relieving, healing and curing the affections of the throat and lungs, coughs, colds, bronchitis, etc.

He who depends upon the invitation of others for his meals dines very irregularly.

One of the worst habits of the day is the patent medicine habit—the habit some people have of continually taking every nostrum that is advertised. One of the best cures for this pernicious habit is the use of tobacco, when taken regularly, in the shape of a "Spot" cigar. Only 6 each.

After the opening hymn, Miss J. Woods, of Crumlin, read the Scripture lesson, which was followed by prayer, offered by Mrs. McMillan, of West London. The president, Mrs. Currie, then gave her annual address, which was replete with encouragement, the year's work showing gratifying evidence of advancement in woman's work. She urged those present as Christian women to press onward, with a view of developing and stimulating the various auxiliaries.

Mrs. (Rev.) Robert Johnston, of St. Andrew's Church, delivered an address of welcome, which was replied to in a happy manner by Mrs. Ross, of Glenora.

The minutes of the last meeting were read by the secretary, Mrs. G. McKenzie, of St. Thomas, and adopted. Miss Boyle, secretary of supplies, next presented her report, which was of special interest, giving, as she did, an account of the work done in connection with the supplies sent to India. The goods sent to India filled ten large cases, and weighed 1,600 pounds, and were valued at \$606.39. The sum of \$110 was contributed toward expense, and a purchase of material in India, \$109.55.

The reports of secretaries from the different auxiliaries were presented, all being of an interesting nature, showing that satisfactory educational work was accomplished during the year.

Mrs. McKenzie next presented her presbyterial report. The membership remains about the same. The value of the box sent to India was \$740. Four new auxiliaries were added during the year, making a total of 38 auxiliaries and 18 mission bands. Ten new life members were reported. Miss Fraser was presented with a certificate from the presbyterial, as a slight recognition of her long and faithful service.

TREASURER'S REPORT.

TUESDAY EVENING.

An open meeting was held in the evening, with a fairly large attendance. Rev. Robert Johnston presided. The meeting was opened by Mr. Wheeler's compositions, recit and aria, "Unto Thee, O Lord," which was admirably rendered. The trio, "Teach Me, O Lord," was well sung by Miss Roblyn, Miss Harrison and Mr. J. W. Macdonald. Miss Roblyn also contributed a solo, which was artistically rendered. Mr. Wheeler gave several organ solos, which were much enjoyed. The meeting was opened by an earnest prayer by Rev. Mr. Little. The Presbyterial Society annual report was then presented by Rev. Robt. Johnston. The report stated that upon the whole the work of the past year had been very satisfactory. In presenting the report Mr. Johnston made a few brief remarks of encouragement.

Greetings from the presbytery were conveyed to the society by Rev. J. G. Spurr. He believed they had good reason to thank God and take encouragement. He believed this movement was the greatest of all, seeking the evangelization of the world. He believed that there was a larger sphere for the heroic in the foreign mission field than anywhere else.

Rev. Mr. Macdonald of Tiverton, followed, and dealt with the religious history of China. There were many reasons for encouragement, but the making of converts among the Chinese was beset with the greatest difficulties. Missionaries were doing a grand work in this field.
