FARMING AND LIVE STOCK

NECESSITY OF SEED BEDS. That there is stern truth in the old reased returns that nature gives to the well-worked soil, preparatory to There are more things necessary for returns than the scattering of the seed upon the plowed land. Where the naral humus of ages lies undepleted at the surface, a mere scratching of the top may, perchance, give big results for the little labor involved. But successive croppings soon demonstrate to most careless that a careful preparation of the seed-bed is essential for

The Ontario land undoubtedly should be plowed in the fall and made ready for the top working in the spring. The less spring plowing that is done the better will be the crop, as a rule.

As soon as the land can be got on to in the spring the cultivators should be J. B. Georgetown makes enquiry for a book entitled "The Pork Packers' Handbook." Perhaps some of our read-ers can tell where this book may be Once this good tilth is obtained the seed is sown under first-class conditions, and it must be a dry spell in-

James Hood of Woodstock, Ont., was a visitor at the market.

W. G. Dawes, Embro, had some of the finest exporters on the market.

James Ross, Tilbury, was on the market with some fine exporters, and one of the finest butcher helfers on the market.

R. Winters, live stock dealer, sold 9 exporters, 1280 lbs. each, at \$5.25; 10 yearling lambs, 110 lbs. each, at \$5.25; 10 yearling lambs, 110 lbs. each, at \$3.50 per cwt.; 3 cows at \$3.50 per cwt.; 4 heifers, 900 lbs. each, at \$4.30 per cwt.; 4 heifers, 900 lbs. each, at \$4.30 per cwt.; 4 heifers, 900 lbs. each, at \$4.30 per cwt.; 4 heifers, 900 lbs. each, at \$4.30 per cwt.; 6 mind them in town, but on the country road it is different. It would agent, wishes to thank his many friends

Taxes Also Wrong.

While I am writing there is another thing I would like to mention, and that is about taxes. The farmer that works hard and improves his farm has to pay more taxes, while his lazy neighbor who could improve his farm is let off with less taxes. It is too bad and is not fair that an industrious man has to pay for fixing up and making his farm look nice. I hope the time will come when every hundred acres is taxed alike.

Homeseekers' Excursions. The Grand Trunk Railway system will issue second-class return tickets at reduced rates to principal points in Manitoba, Saskatchewan and Alberta. Good going April 14 and 28. May 12 and 26. June 9 and 23, July 7 and 21, Aug. 4 and 18, Sept. 1, 15 and 29. Tickets good returning within 60 days.
