PLASTERERS PROTEST.

A deputation from the Plasterers' Union waited on the property committee of the board of education yesterday with a complaint that J. Blackburn, who has the contract for building two schools, is paying only 40 cents an hour for plastering, altho the union rate, which is supposed to be paid, is 50 cents an hour. The visitors were Fred Leech, president of the union; W. J. Hamilton, the secretary, and Joseph Potter. It was promised that Buildings Superintendent Bishop would investigate.

The committee thought that Charles J. Kean and Frank White, in offering $8235 for the old John-street School, including the site, were trying to make too good a bargain. The property has a frontage of 90 feet on John-street and a depth of 180 feet on Mercer-street.

A. R. Gibson offered $35 a foot for a strip of land on Linwood-avenue, which the board purchased in connection with the Avenue-road School, but later found it wasn't necessary. The offer was not considered good enough.

To Suffer From Headaches Makes Life Miserable.

It takes a person that has had or is subject to headaches to describe the suffering which attends them.

The majority of cases are caused by constipation and dyspepsia. The dull throbbings, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on, purely indicates that there is something the matter with the stomach or bowels. To the fact that Burdock Blood Bitters reaches every part of the system is due its success in relieving and permanently curing headache. It has proven a specific for the malady in all its forms.

CONSTIPATION AND HEADACHES.

Mrs. Allison E. Brown, Summerfield, N.B., writes: — "I have been troubled with Constipation and Headaches for a long time. After trying different doctors to no effect, a friend asked me to try Burdock Blood Bitters. I find I am completely cured after taking three bottles. I can safely recommend it to all."

SPITE OF OPPOSITION COUNCIL PASSES BYLAW

Cataract Company Given Right to Erect Car Barns—Municipal Lodging House.

HAMILTON, Nov. 27.—(Special.)—In spite of the opposition of the people in the district, the board of works this evening passed a bylaw with reference to the new car barns the Cataract Company is erecting near the corner of King and Wentworth-streets. The features of the bylaw objectionable to the residents are that the H. G. & B. was given the right to use the new tracks on Sanford and Wentworthsts. for freight traffic for any description it desires, and the Hamilton and Dundas and Brantford and Hamilton Railways are given the right to use Main-street for passenger traffic and for freight traffic carried on by means of cars similar to passenger cars. They also objected because the company will have the right to make a thru service over Main and Wentworth-street and Sandford-avenue for traffic between Brantford and Oakville. Provision was made that the street railway shall have running rights over the tracks on Sanford-ave, and Wentworth-street. The company objected to that, but Mayor Stewart said the council would not grant a franchise at all unless it agreed. Ex-Ald. McDonald charged that the H. G. & B. bylaw had been tampered with after it had passed the council in such a way as to give the company greater rights.

Rev. B. Spence, Toronto, addressed the temperance meeting this evening in Knox Church.

Municipal Lodging House.

At a conference held this afternoon it was practically decided that the charity organizations, with the aid of the city, would establish a municipal lodging house, to be controlled by a board made up of representatives of the different societies.

William Roelfson, 14 South Bay-st., was arrested to-night, charged by his employer, James Kirk, with the theft of a quantity of cigarets and tobacco.

Charles Jamieson, 407 North McNab-street, was arrested to-day charged with attempting by acts of violence to extort money from Samuel Grey.

Express Driver in Trouble.

W. J. Boylan, a driver for the Canadian Express Company, appeared in police court this morning charged with obtaining by false pretences $1.60 from G. F. Glassco & Co. He was remanded, and later in the day another charge was laid of obtaining $100 and upwards from the company during the last two months. It is alleged that he made out bills himself and collected the money, the bills not being questioned.

The minority shareholders of the Grant Spring Brewery will probably meet next Monday to decide on whether they will take their case to court.

Thomas Moorehead, Palmerston, a young married man, was this afternoon sent down by Judge Monck for four months for obtaining money by falsely representing himself to be a representative of the Brotherhood of Railway Carmen. The people of Palmerston petitioned for a light sentence.

Ald. A. J. Wright, a Conservative alderman who supported the hydro-electric power project, has refused to run on the same ticket as Ald. Sweeney, a Cataract alderman.

Won't Run With Sweeney.

Edward Sevier, who was the conductor on the train that went thru the Desjardins canal bridge in 1857, died this morning. He was the last survivor of the accident. As the last car was dropping thru the bridge he was fortunate enough to step off the rear plaform, and escaped uninjured. He was afterwards engaged as a letter carrier.

James Smith's action to quash the contract entered into by the city council and the Cataract Power Company, will be tried at the non-jury sittings, which will open next Monday, Justice Anglin presiding.

H. J. Halford, and ex-Ald. Kennedy are mentioned as probable labor candidates for the council.

Inter-Urban Railway.

J. K. Griffith, surveyor, Toronto, has issued an address to the people of Hamilton and district in behalf of the Desjardins Inter-Urban Railway. The survey has been completed, and a charter applied for. The railway will take in Hamilton, Dundas, Galt, Hespeler, Guelph and Burlington, and will enter Hamilton by way of King-street.

Patrons of the Mendelssohn Choir concerts will be glad to know that a subscription list for these concerts is at the Hamilton Conservatory of Music for their convenience, and subscribers will have equal chance with Toronto subscribers if their names are recorded before Dec. 22.

BURNED TO A CRISP.

Explosion of Gasoline Wrecks Shop and Workman is Cremated.

MONTREAL, Nov. 27.—(Special.)—As the result of an explosion of a quantity of gasoline in a clothes cleaning shop on Berthelot-street this afternoon, a youth named Legamiere was burned to a crisp and the building was entirely destroyed by flames.

The youth was working in the rear of the shop when the explosion occurred, and it was only after strenuous work on the part of the firemen that the flames were subdued sufficiently for the body to be recovered.

Legamiere was the only person in the shop at the time of the explosion, and the flames caught him before he could make a move towards safety. His charred body was found under a mass of heavy beams a few hours later.

The explosion took place right opposite the Auditorium, where the tuberculosis exhibition is being held, and the place was thronged with children. The noise created some excitement, which was soon quieted, however. Legamiere was 20 years of age.

Dr. Hamilton Talks

To All Young Girls and to Women, Both Old and Young.

The reputation of this noted physician needs no comment. For years he was one of the most noted and distinguished practitioners in England. In speaking of the ills from which women suffer, Dr. Hamilton points out that nine out of every ten women are by nature inclined to habitual constipation. Harsh purgatives are resorted to which only intensify the trouble. Although not generally known, it is a constipated condition of the bowels that causes half the sickness and tired weariness with which all womankind is so familiar. It was after long years of study that Dr. Hamilton perfected the pills which have been of such marvelous benefit to women the world over. In his pills of Mandrake and Butternut, every sufferer will find an absolute specific for constipation, sick headache and biliousness. It is safe to say that Dr. Hamilton's Pills bring better health and keep the system in a more vigorous condition than any other medicine ever discovered.
