T. JOSEPH'S AND MARATHONS

To Play for City Championship
—First Game on the Victoria
Grounds on Saturday.

Arrangements were completed yesterday for a series of three games between the St. Joseph's, winners of the Society League, and the Marathons, Amateur League, and the Marathons, Amateur League. The first game will be played on the Victoria grounds, on Saturday. These games will without doubt furnish some of the fastest kind of ball. This is the second season that the St. Joseph boys have won the society league pennant. The Marathons who have been organized but one season have done remarkably well in sport. They have succeeded in gathering in both the football and baseball league championships, and with an ambition to clean out everything for the city pennant they are likely to make the fast St. Josephs play the game of their life no matter which way it goes.

KILLED BY PITCHED BALL

Arthur Clemens, of Brooklyn, was killed on Saturday while playing baseball at Glenview, L. I. Clemens was playing with the Glenview team in a game against the Oyster Bay team. He was at bat when a swift ball pitched by Pitcher McKenna struck him on the head. Clemens fell unconscious, and soon died. McKenna was arrested, but later released by the coroner.

THE HARBOR CHAMPIONSHIP

When is it to be Rowed?—Is Belyea to be Re-Installed.

As the time cannot be far off for the harbor championship, it might not be amiss to again enquire as to what has been done with reference to having Hilton Belyea's suspension removed. It now appears that Belyea is a member of the Marathons Athletic Club, and should that be so, would it not be the duty of that club to take up his case. The M. P. A. A. are not likely to be in any hurry to reinstate Belyea, and if the clubs here do not take any interest in the matter, why should the Maritime Body take any action. The Marathons Club have done a lot for sport in this city and have given support to many good local men, would it not be fitting for this organization, if at all possible, to get Hilton Belyea back into the rowing game here, so that by his entry for the harbor championships, rowing may be boomed.

OLD TIMERS OUT

Jake Gaudaur and Brother, Eddie Durnan and Ned Hanlon.

Friday and Saturday were gala days in Halesbury, Ont., when a regatta was held which two thousand or more people from the silver country attended. The chief event on Saturday was the race between Eddie Durnan, champion sculler of America, and Chas. Gaudaur, brother of Jake Gaudaur, ex-champion sculler of the world, for a purse of \$500, which was won easily by Durnan. The other events consisted chiefly of motor, sailing, canoe, single and double and swimming races.

ATHLETIC

SIX DAY WALK AT REVERE.
The six-day walk-a-thon race to be held at Wonderland, Revere, in two weeks is arousing considerable interest among the star walkers of the country and entries are expected from California. The track will be only eight laps to the mile. Entries will close Labor day with Peter Golden, Wonderland, Revere.

DAN KELLEY TO RUN

Dan Kelley, holder of the American record for 100 yards, 9.5 seconds, will compete at the games at the Jamestown exposition. This was finally decided last week when, without a competitor or pacesetter, the sprinter covered the distance twice in ten seconds each time. He was timed by four watches and only an interval of a few minutes separated the trials.

YACHTING

AMERICAN YACHTSMEN DINED BY GERMANS.
BERLIN, Aug. 25.—The American yachtsmen who completed recently in the room for the Emperor William's cup went for an excursion on the River Spree today to Grunau and return. They were dined tonight at the Wannsee Yacht Club by Oscar Huldeshagen, one of the leading yachtsmen of Germany.

FOOTBALL

Trainer John Mack of Yale will go to New Haven within a week or ten days to prepare for the football season. Yale expects to have a great team this year with all of last year's freshman material to draw from, and Mack wants to meet the boys as soon as they return from the preliminary practice.

Tea will be served this afternoon on the grounds of the St. John Tennis Club. The Frederick Tennis Club have accepted the invitation of the local club for a tournament in this city on Labor Day.

DEATH SUDDEN IN TWO CASES

William P. Rourke, an aged carpenter, residing at 323 Princess street, and widely known as an anti-tobaccoist, passed away at 11 o'clock last night, having been stricken with paralysis at 4.30 o'clock in the afternoon, while engaged at work in the residence of Mrs. E. G. Skinner, 223 King street.

Mr. Rourke was born in Dublin and came to this country when a young man. He had been a member of the Orange Order and was much respected. He will be best remembered, however, by his crusade against the use of tobacco. Years ago he organized the Anti-Tobacco Society, and its membership being made up mostly of boys, the work done by Mr. Rourke proved lasting. He was also the author of several articles denouncing the habit, and his style was very vigorous.

Mr. Rourke leaves his wife, three sons and two daughters. The sons are: George, William and Thomas, all in the Western States. Miss Elizabeth Rourke and Mrs. Peter Stirling are the daughters. The funeral will be held on Thursday at 2.30 o'clock from the late residence of deceased.

Hugh Bell, aged about 68 years, a tailor in the employ of J. N. Harvey, died suddenly while at work yesterday afternoon. Mr. Bell was apparently as well as usual yesterday morning, but about 2.30 p. m. complained of pain in his chest, but on a drink of water being brought him he became better.

A little later he went to the water tap and there was found ten minutes later, lying on the floor dead. Dr. W. A. Christie was quickly called by Mr. Harvey, but he could do nothing as death had been practically instantaneous. Heart trouble was the cause. Coroner Berryman was notified and gave permission for removal of the body and Undertaker Chamberlain took it to his rooms. The death occurred caused a shock to Mr. Harvey and all in the establishment.

Mr. Bell had worked there since February. He was a native of County Down (Ire.), and was a United States citizen. For several years he was in business in Boston. He was not married and it is not thought there are any relatives in St. John, but a brother lives on Grand Manan. Mr. Bell was one time a member of the Masonic fraternity, but had withdrawn some years ago. His home in St. John was at the Hotel Edward.

Country Cousins

By W. F. MARRINER

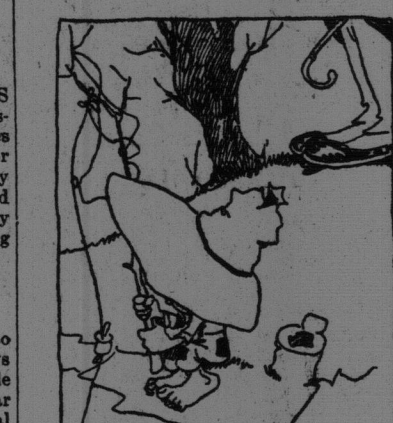

THE REASON.
The City Man: "What! Fifteen dollars a week! Why, rooms and board ain't scarce about here!"

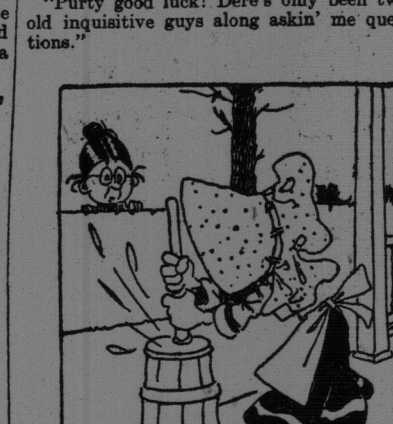

The Countryman: "I know, but boarders are scarce."

"I suppose you'll be an agriculturist when you grow up?"
"No, I'm just going to work on this farm, that's all."

"Any luck, my boy?"
"Pretty good luck! Dere's only been two odd inquisitive gins along skakin' me questions."

"What are you goin' to give at the preacher's donation party, Mandy?"
"Lands sake! Nuthin'! Why, I give the preacher a real store needle that cost 10 cents at his donation party only three years ago!"

DO NOT BE HUMBLED.

More than ever, dishonorable and disreputable pharmaceutical concerns are flooding the market with cheap and worthless preparations designed to be imitations of Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY.

Some of these are even labelled "Extract of Wild Strawberry," "Wild Strawberry Compound," etc., in the hope that the public may be deceived and led to purchase them, thinking they are getting the genuine Dr. FOWLER'S.

Are you willing to risk your health—perhaps your life, to these no name, no reputation, likely dangerous, so called Strawberry Extracts.

For sixty-two years Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY has been used in thousands of families for Diarrhoea, Dysentery, Colic, Cramps, Summer Complaint, Cholera Morbus, Cholera Infantum and all Bowel Complaints.

Do not let the dishonest and unscrupulous dealer humbug you into accepting one of these cheap substitutes, to the detriment of your health and gain to his pocket.

Ask for Dr. FOWLER'S and insist on being supplied with it. See that the name The T. M. B. Co., Limited, Toronto, Ont., is on the wrapper. Price 35 cents.

BEANSEY IN A BAD MIX-UP

Gets Stabbed in a Knife Fight in Montreal Saloon.

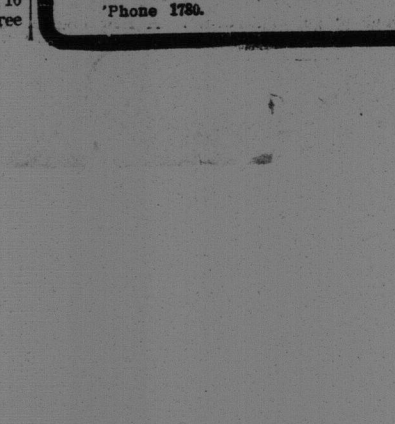

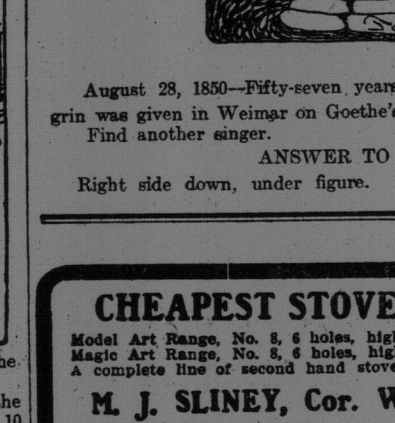

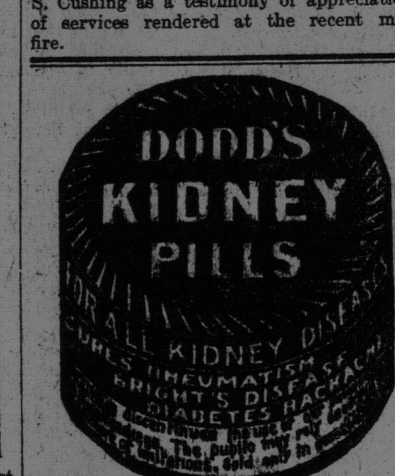

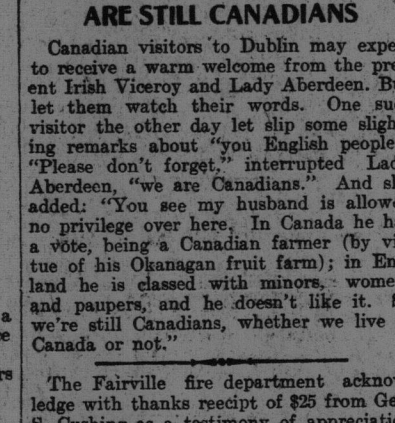

A fierce fight occurred on Saturday night in the saloon at 9 West Dorchester street, Montreal, between two men well known in pugilistic circles. As a result "Beansey" Lefebvre, the local lightweight was taken to the general hospital in a police patrol wagon, bleeding profusely from five wounds in his back, which had been caused by a knife. Lefebvre accuses James Queanran having done the stabbing. Queanran arrived in this city from Australia about a year ago, and in the short period at his disposal has created quite a reputation for himself.

ILLNESS ROBBED OF ITS TERROR

Just think of it. The life of life that come to young and old, all held in check if Nerviline is used. You can rely on "Nerviline" if you can be confident it will relieve all pains, aches, nausea and stomach trouble; try it.

ARE STILL CANADIANS
Canadian visitors to Dublin may expect to receive a warm welcome from the great Irish Viceroy and Lady Aberdeen. But let them watch their words. One such visitor the other day let slip some slighting remarks about "you English people." "Please don't forget," interrupted Lady Aberdeen, "we are Canadians." And he added: "You see my husband is allowed no privilege over here. In Canada he has a vote, being a Canadian farmer (by virtue of his Canadian fruit farm) in England he is classed with miners, women, and paupers, and he doesn't like it. So we're still Canadians, whether we live in Canada or not."

The Fairville fire department acknowledge with thanks receipt of \$25 from Geo. S. Cushing as a testimony of appreciation of services rendered at the recent mill fire.

What Hundreds do Do You Do?

What do hundreds do?
Hundreds eat Scotch Zest Bread every day!

And why?
Because, once upon-a-time they were eating some ordinary kind of bread, and when they found the real merits of Scotch Zest Bread nothing else would satisfy them.

They found a good solid loaf that don't crumble when cut; they know it's pure, sweet and clean, and keeps moist three days.

When you know Scotch Zest Bread as hundreds do perhaps you'll do as they do—eat it.
