ALL JAPS MUST BE EXPELLED

OFF THE CONTINENT ONCE AND ALL.

Novoe Vremya's Call—Pope it is Said Has Consented to Strive for Peace— A Russian General's Farewell to His Troops.

St. Petersburg, Oct. 8.—Replying to the statement of Count Okuma, leader of the Japanese progressive party that the war with Russia would be long, but that the Japanese would win in the end, the Novoe Vremya declares this morning that the idea of a possible compromise with Japan has been abandoned and that the war must be prosecuted by Russia in such a way that there can be no possibility of Japan renewing the struggle. Europe for thirty years was under the menace of a revenge for Alaska. If we conclude peace with Japan, all our efforts in the Far East will be valueless and we shall have to spend enormous sums to keep up our armament there. The Japanese once and for all must be driven off the Asiatic continent.

It is now accepted here that the reported naval fight off Port Arthur was purely imaginary. The naval experts of the newspapers dwell on the difficulties which the Port Arthur squadron has experienced in breaking out after the disastrous sortie of August 10. The general opinion is that the squadron could not venture out unless something had happened to the Japanese warship of which there is no knowledge here. It is said that the ship could not get to the port of Chefoo, but must head for Vladivostok.

Caring For Soldiers' Relatives. St. Petersburg, Oct. 8.—The municipalities of St. Petersburg have decided to care for relatives of soldiers at the front who are in distress. They are to be provided with lodging and fuel and thirty six pounds of flour and four of grits for each person per month.

KUROPATKIN MAY TAKE OFFENSIVE. St. Petersburg, Oct. 8.—3.30 p. m.—The meagreness of the news from the front is increasing. There is good warrant for the belief that General Kurapatkin is strengthening

his left flank to meet the Japanese turning movement, his troops occupying a triangle, from Fushan to Mukden and Tso Tsao. Over 300 guns have arrived at the front and the activity of the Russian skirmishers below the Hun river creates the impression that Kurapatkin may contemplate assuming the offensive. This idea, though, naturally if such a move is contemplated, the war office could not be expected to admit it.

New York, Oct. 8.—The Russian agent accredited to the Vatican, Mr. Nariskin, has been in frequent contact recently with the cardinal secretary of state, says a World despatch from Rome. It is said the conference has been on how to end the war in the Far East. It is asserted that the Pope consented to act in the interest of peace at the solicitation of the German emperor, who, being informed by his principal advisers that it would be improper for Germany to undertake this task, urged the Pope to tender his good offices.

So far the Vatican has confined itself to negotiating with Russia, but it is said that if Russia consents to the head of the Catholic church making the first proposal of peace, the Vatican will open direct negotiations with Japan. The fact is much commented on that the Pope, the only "sovereign" excluded from the peace congress at "The Hague" has been now selected to make proposals of peace to the promoter of "The Hague tribunal."

Deputes' Farewell Words. Khar'kov, Russia, Oct. 8.—A touching scene was witnessed here when General Kurapatkin, former governor general of the Fourth Division, who is led across the Danube at the present time, moved that he could not leave the division to form another troops. The general's words of the troops and the vast crowd of people present also went.

NATIVES ATTACK GERMAN STATION.

Witbois Revolt in German South West Africa and Spread Disaffection to Other Tribes.

Berlin, Oct. 8.—Fresh trouble has broken out in German Southwest Africa. The Witbois tribesmen who had hitherto been faithful to the Germans are in revolt.

Governor Lutwien reports that the Witbois have attacked the station at Kuis, on the Pitsch river, and are reported to be attacking the station at Haachan. All the Witbois who were with the German forces at Gibets have deserted and avowed they have gone to the Bastards, another tribe to urge them to rise.

The revolt of the Witbois is a serious matter. No explanation is given of the present discontent.

FOUND DYING ON NEW YORK STREET.

Police Find Wounded Man Shot by Robber Comrades.

New York, Oct. 8.—An Italian picked up by the police on the east side, is dead at a hospital, from a pistol shot through the body. He was partially identified as one of the gang who killed a countryman, and mortally wounded two others, in attempting to rob them near Brewster, N. Y., Thursday. He is believed to have been wounded in a quarrel over division of the spoils.

Eighteen Miners Killed. Dessau, Germany, Oct. 8.—All of the eighteen miners imprisoned by the sudden rush of water and mud into the Leopold Brown mine near Koechem on Thursday, are dead. The bodies cannot be reached.

Russian Wheat Crop Huge. Saratoff, Russia, Oct. 8.—The railroad officials here are unable to handle the enormous accumulations of grain from the big harvests in the south of Russia.

The steam tug Lord Kitchener, Captain Stevens, cleared today for Boston to take in tow a 1500 ton barge loaded with tar and pitch for Halifax. The tug will wait at Halifax until the barge discharges her cargo, and then take her back to Boston.

W. Robinson as dean of the faculty of the Macdonald Institute at Guelph (Ont.), where teachers from every province in Canada are now training in these subjects."

"A large number of ladies are also being trained in domestic science at the institute. Dr. Muldrew was selected as one of the best of our teachers and it will be difficult to find another so admirably fitted in every way for the important position."

GUESTS GETTING INTO RETURN.

BANQUET PARTY HOME ALL PLEASED.

Meeting on the Train Passes Resolutions of Appreciation of C. P. R. Courtesy and Attention, With Good Words for Conductor Lefebvre and Others.

The gentlemen who went up to the banquet given by David Russell to Hon. Dr. Pugsley, at Caledonia Springs, returned to the city by special train at 11.15 today, and are unanimous in declaring that the function was the most successful of its kind ever held in Canada. Everything connected with the banquet was superbly arranged and carried out with a skill and completeness that could not be surpassed. The banquet itself, the service, the music, the speeches, the decorations and surroundings, combined and harmonized to produce an impression that will never be effaced from the memory of those who were present.

On the train at Caledonia Springs, the guests of David Russell on their return from Caledonia Springs, met in a body as last night, and James Kennedy was appointed chairman and Mr. John A. Simlar secretary. The following resolution, was moved by Stephen S. deForest, and seconded by A. B. Copp, M. P. P.

Resolved that in acknowledgement of the care of the officers of the Canadian Pacific Railway Company, given to us throughout the entire trip we have much pleasure in testifying that the utmost attention has been continuously extended to us, our safety unremittingly looked after and every want anticipated and to the fullest extent provided. The attention given the guests in the dining cars has been of the highest class and the provisions for their comfort and detention has given them the best satisfaction. For all of which we give our thanks and express our appreciation of what they have done."

This resolution was unanimously carried with the warmest demonstration of applause and addresses were then made by Stephen S. deForest, A. B. Copp, Colonel Tucker, George Robertson, M. P. P., W. H. Trueman, A. O. Skinner, and Aid. T. H. Bullock.

The salient points in the excursion were touched upon by Mr. deForest, which showed high appreciation of all that had occurred during the visit to the Caledonia Springs. It was then further resolved "That the guests extend their thanks to the C. P. R. for the very great care and attention given them during the trip so pleasant and highly satisfactory visit to Caledonia Springs in attendance at the banquet given by David Russell to his guests in honor of Mr. Pugsley."

This resolution was moved by Edward Sears and seconded by E. Lantulum, M. P. P., and was carried unanimously. It was then moved by Geo. Robertson H. P. P., seconded by Dr. Silas Alward and resolved "That the thanks of the guests are hereby given to the porters in charge of the sleeping department of the train. They have in the very best manner attended upon the guests and performed their duty to our utmost satisfaction."

The next resolution was moved by Daniel Mullin, K. C. "That the thanks of this meeting be given to the I. C. R. at St. John who has accompanied the guests from St. John to Caledonia Springs and throughout has unremittingly attended to the duties of seeing that the wants of the guests should be met in every particular, a duty to which he gave his utmost attention and which materially resulted in making the trip so pleasant and agreeable as it has turned out to be."

A. O. Skinner then moved a resolution which was seconded by Aid. T. H. Bullock, as follows: "Resolved that the thanks of this meeting be given to Peter Lefebvre the conductor of the train, from St. John to Caledonia Springs and return, and who during the trip performed his duties in a careful and obliging and highly attentive manner which has been greatly appreciated by the entire company."

The meeting then adjourned after singing Auld Lang Syne and God Save the King expressing to each other the great satisfaction they had during their visit.

Many of the remarks that were made were evidence of the high appreciation that all present had of the kindness shown to them throughout the trip by their host David Russell.

John Allen seconded a resolution extending the thanks of the meeting to the chairman for presiding in a very able manner over the meeting during which he made some very pleasant and appropriate remarks and also a complimentary reference to the manner in which he discharged his duties.

Boston, Oct. 8.—When the closing session of the thirteenth international peace conference was convened today, several subjects which the delegates deemed of importance had yet to be considered. These included a report of a special committee appointed last year at Rouen on the economic causes of war, resolutions on the Congo Free State and an appeal to the nations in behalf of peace.

NORTH RENFREW UTTERLY CORRUPT, SAYS GLOBE.

Evidence as to Guilt Confused, but Effects are Plain—Charges Must be Investigated.

Toronto, Ont., Oct. 8.—(Special.)—The Globe, referring editorially to the confused and contradictory reports of numerous candidates in the North Renfrew says it is impossible to pronounce upon such conducting testimony or to apportion guilt which however evenly lurks but a little way below the surface. One thing, however, seems clear beyond reasonable dispute, the utter corruption of the North Renfrew election, the corruptness on both sides.

SITUATION IN ST. JOHN.

As Viewed by Today's Freeman and Monitor—Mr. O'Brien for the City.

The political campaign has been commenced in earnest. In this province both parties are actively to work. The liberals will nominate their candidates for the city and county nomination of the Conservatives for these constituencies will have their choice in the field a day or two later. There is no doubt that Richard O'Brien will be the city candidate for the Liberals, and that Dr. Daniel will be nominated for the city by the Conservatives. At the moment of writing it would be folly to venture an opinion as to which of the four aspirants for the city and county nomination of the Liberal party will secure the nomination. The Conservatives have in their mind Messrs. George V. McInerney, Dr. Stockton and J. D. Hazen for the city and county. In view of the fact that it is brought to bear upon Mr. Hazen it would not be surprising if he would be Dr. Daniel's running mate. In that event the effort will be renewed to induce Mr. McInerney to run for Kent or some other constituency. Already Mr. McInerney is doing considerable effective platform work for his party.

NEW MORNING PAPER?

It is understood that the management of the St. John Globe has been urged for some time past by leading Liberals throughout the province to issue a morning edition of the Globe during, at least, the last three weeks of the campaign. The writer has reason to believe that the suggestion is not unavailing received by the Globe management and that a morning edition of the Globe will be the result if the necessary arrangements can be made for the securing of skilled help in the mechanical department.

WILL BE MR. O'BRIEN.

As nearly all the delegates chosen are said to favor the candidature of Mr. Richard O'Brien, his nomination seems to be a foregone conclusion.
