RECENT DEATHS

The death of George McCallum occurred yesterday at his home in Westfield, N. B. His wife and three sisters survive.

Mrs. Caroline A. Reed, widow of James R. Reed for many years postmaster in Charlton, passed away yesterday, aged eighty-four years, at the home of her granddaughter, Mrs. H. W. Ketchum, 290 St. George street, west. One daughter survives. The funeral will be held from Mrs. Ketchum's home tomorrow at 2:30 p. m.

Friends will regret the death of Miss Mary Monahan, aged seven years which occurred yesterday at the home of her aunt, Miss Donovan, 80 Pond street. She had been only a short time sick. One brother, Gordon, who came home yesterday from Somerville, Mass., survives.

George J. Morton, aged seventy-one years, died yesterday at his home in Yarmouth where he had resided since his removal from Halifax forty-five years ago. He was a well known plumber and was the first to introduce the system of paying wages weekly in Yarmouth.

The death of Daniel O'Sullivan took place yesterday at his home, Fredericton Road, Salisbury, N. B., aged seventy-five years.

Fred D. Snyder of Moncton received a telegram from his sister in Worcester, Mass., stating that her husband, Chester S. Hall, had passed away at the Worcester General Hospital. Mrs. Hall was formerly Miss Myrtle Snyder, daughter of Mrs. Ruth and the late W. C. Snyder, of Moncton. She had only been married a little less than two years and is left with a little girl about four months old.

The death of Mrs. Hiram H. Graves, of Moncton, occurred Wednesday. She was sixty-seven years of age and was a native of Pettitcodiac. She is survived by two daughters, Mrs. Ward Lutes, and Mrs. Walter Wilcox of Lower Coveville, two sons Frank and Joseph, of Moncton.

My Corns**Were Ended This Way**

Countless women have told other women about Blue-jay plasters. Now a million corns a month are ended in this scientific way.

Women who know Blue-jay do not suffer corns. When one appears, they put a Blue-jay plaster on it. That ends the pain. In 48 hours the corn is gone forever, with no soreness left.

If you can't believe it, ask your friends. Half of them have probably ended corns with Blue-jay. If you still doubt it, ask us for samples. Try them on corns of your own.

Don't coddle corns. Don't pare and keep them. Don't use old-time treatments. A famous chemist has made corns utterly unnecessary. That sort of torture is a thing of the past.

**PROCLAMATION**

His Honor the Lieutenant-Governor respectfully requests that Sunday, the twenty-third day of May inst. be observed as "Patriotic Sunday" throughout the province, and that on that day the clergymen of the several churches and others in sermons and addresses impress upon their hearers the necessity of further assisting the motherland in the great struggle in which she is engaged for a better civilization by joining those who have already enlisted and are now so gallantly fighting the battles of the empire.

HAIR AND THE MARRIAGE MARKET

Too many men have been unpleasantly surprised to find that their wife's hair which they had so greatly admired was only a switch or transformation. We now know that poor hair is a confession of either laziness or lack of knowledge and that fair care with sensible means will insure scalp health and hair beauty. In washing the hair it is not advisable to use a makeshift, but always use a preparation made for shampooing only. You can enjoy the best that is known for about three cents a shampoo by getting a package of canthax from your druggist; dissolve a teaspoonful in a cup of hot water and your shampoo is ready. After its use the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappear. Your hair will be so fluffy that it will look much heavier than it is. Its lustre and softness will also delight you, while the stimulated scalp gains the health which insures hair growth.
