## A Few Shots of

**Pyrene**

Have Saved Many  
A Precious Life  
and Much Valuable  
Property

Pyrene kills fire, saves life. A few shots on the fire upon discovery prevents flames from spreading, thus saving life and property.

The instant PYRENE touches fire, no matter what its origin, it casts about it a dense vapor blanket which confines the fire so that it cannot spread.

Pyrene is a non-poisonous liquid, harmless to fabrics, and should be in every home, garage, business, house, store, motor boat and sailing vessel.

The PYRENE APPARATUS, as illustrated, in brass with black enamel brackets, will cost you \$12.50.

PYRENE LIQUID for refilling, in quart cans, ..... \$2.00

## LOCAL NEWS

**MILITARY.**  
Capt. William C. Harvey, was struck off the strength of Military District No. 7 on Feb. 12, 1920.

**TRAINS LATE.**  
The Montreal train was reported two hours late today, the Boston an hour and forty minutes. The Maritime was reported on time.

**STREET CAR SERVICE.**  
The service in street car operation by the N. B. Power Company is "on time" back to normal. The line to East St. John has been opened and men are at work clearing the Glen Falls line so that it is expected that this will be open tomorrow or Thursday.

**THE GIRLS WON.**  
Michael Kelly took five girls of his spelling class yesterday afternoon to Beaconsfield school where they competed with the boys in spelling. The girls won, 22 points to eight. Mr. Kelly remarks that it will not be his fault if we do not have some real mental sport as well as physical in St. John.

**LABOR OFFICIAL COMING.**  
M. J. Quirk of the department of labor, Ottawa, is expected to arrive in the city tomorrow in connection with the matters in dispute between the employees and the management at the Courtney Bay works. One of the supervising engineers of the public works department at Ottawa is expected here this week also in the same connection.

**ROTARY IN HALIFAX.**  
Monday's Halifax Echo devoted an eight page supplement to Rotary, with articles by Mr. Justice Russell, Rev. Clarence McKinnon, J. D. Logan, Hon. O.H. Mitchell, Dean Lwyd, Dean Macrae and others. Among the photographs shown is one of G. Ross Marshall, a director of the Halifax Rotary Club, who was a guest of the St. John Rotarians at their celebration last night.

**THE LATE CAPT. F. P. TRITES.**  
On the arrival of the Boston train yesterday the body of Capt. Frank P. Trites, formerly of this city, who died in Philadelphia a few days ago, was interred. The funeral service was carried out by Rev. S. S. Poole and burial was in Fernhill. Mrs. Trites and daughter accompanied the body. Capt. Trites was well known here, having sailed in the ships of Troop & Sons for many years.

**CARDS REMOVED.**  
Nine more quarantine cards have been removed from houses in the city where persons were afflicted with influenza. Out of this number it is probable that many more recoveries will result but up to the present time sixty-four have been reported. No new cases were reported this morning. One patient was admitted into the emergency hospital in St. James street. Those already there are progressing favorably.

**PRaise FOR ST. JOHN AMATEURS.**  
Of the recent appearance of St. John amateurs in Sussex, the Record says: "The St. John amateurs certainly scored a brilliant success in the magnificent way in which they presented Charles's Aunt. On account of the bad roads which prevented many from outside districts getting into town, the audience was not as large as the magnificent performance deserved. The acting of those taking part much superior to that of many professional companies that have visited here recently."

**GIVEN FAREWELL.**  
A very pleasant evening was spent at the Manor House on Saturday evening when friends of Fred. H. Baxter tendered him a farewell. Dancing and games were enjoyed by all. During the evening Mr. Baxter was made recipient of a suitably engraved fountain pen, and he fittingly replied. After a sumptuous supper and the singing of the National Anthem, the party broke up about midnight. Mr. Baxter left on Monday night for Vancouver, where he has accepted a position with the T. Eaton Company of Vancouver. His many friends in St. John will be wishing him success in his new work.

**BROWN-FISHER.**  
At the home of Mr. and Mrs. John H. Fisher, 80 Spar Cove road, on Wednesday, Feb. 11, their only daughter, Nina Pearl, was united in marriage to Hazen David Brown. The ceremony was performed by Rev. Neil McLaughlin, in the presence of friends and relatives. The bride was attended by Miss Olive Brown, a sister of the groom, while John Orr supported the groom. The bride, who was dressed in gold, received many beautiful gifts. A dainty wedding supper was served at 60 Spar Cove road. Mr. and Mrs. Brown will reside at 60 Spar Cove road. The groom is a returned soldier, and has been much service overseas.

**LOANS TO SOLDIERS.**  
W. E. Blanchard of Fredericton, interviewed with the D. S. C. R., was in the city today in connection with the matter of loans to soldiers who have taken vocational courses or who have a disability, which was not sufficient to entitle them to a course but which may be sufficient to give them a loan if they plan to start in their trade or business. Mr. Blanchard said that quite a few of the returned men were seeking to take advantage of the new arrangement in order to re-establish themselves. For those who have finished their vocational course the time for applying for a loan has been extended by one month while those discharged from the various vocational schools have two months from the time of their discharge in which to apply.

**AGAIN BEREAVED.**  
The death of Mrs. Marguerite (Greta) Morison, which occurred last evening in West Medford, Mass., has again brought sorrow to the household there, as well as to relatives in this city and other parts. Her death followed within a very few days upon that of her mother, Miss Joseph Roper, both caused by influenza. The sad news reached the city early this morning in a telegram received at the home of J. A. Gillen, 24 Victoria street. Mrs. Morison had visited St. John at various times and had many friends here. Her husband survives, with one little child, and her father, Joseph Roper, all of West Medford, Mass. Mr. J. A. Gillen, of Victoria street, and Miss Annie Dalton, of Calgary, are sisters of the young woman. The sympathy of a wide circle of friends will go out to the family in their double bereavement.

## ASSAULT CHARGE AGAINST WIFE

Unusual Case in Police Court  
—Fines of \$280 on Liquor Charges.

An unusual case was aired this morning in the police court when Mrs. Annie Ross was charged with assaulting her husband Robert Ross, in their home 35 St. James street. In connection with the case Morton Mortenson was also charged with assault on Robert Ross at the same time.

The complainant told of going home finding Mortenson at the house and being somewhat put out at the presence of the lad at his residence frequently told him to get out. The lad, he said, struck him and on getting to the door picked up a shovel and attempted to hit him with it, but fortunately struck the door instead. He said his wife had interfered and said to her, "You will stick up for him?" and she replied, "I will stick up for any one but the like of you," and at this, he said, she struck him over the head with a stick. Mrs. Ross told her side of the story. She said that young Mortenson came to the house with a letter which he had received from her son, who is now in Woodstock. He was giving her the message when the husband entered. On seeing the lad, he spoke to him, but immediately turned and told him to get out of his house, which the boy started to do, but apparently not quickly enough as the complainant began to use the lad roughly in attempting to force him out. Mrs. Ross said that the lad naturally resorted to a means of defence, but at the same time tried to get out as quickly as possible. He called for his cap, the husband had knocked it off in the scuffle, and it was at this stage that she interfered by handing the lad his stick. Mortenson corroborated the evidence given by Mrs. Ross, while Stella Berry, daughter of Mrs. Ross, also corroborated her mother's statement. The magistrate decided to postpone the case until tomorrow afternoon, when some of the neighbors will be summoned. G. Earle Logan appeared for the prosecution, while J. A. Barry was for the defence.

A man in West St. John was summoned to appear in court to answer to the charge of refusing to assist Sergeant O'Neill in the discharge of his duties—in the arrest of Richard McCaustlin, who was fined yesterday for being drunk, having liquor in his possession, and assisting the police. The accused pleaded not guilty. Sergeant O'Neill gave evidence. The magistrate said he would have to strike a penalty, but would allow it to stand. The man said he did not hear the policeman call for assistance.

William H. McFarlane pleaded guilty to stealing two bottles of liquor, valued at \$4, the property of the C. P. R. He was remanded for sentence.

William J. Quinn was charged with having liquor in his possession, and also with drinking in public. He was fined \$280.

James Wilson was fined \$8 for not moving on when told to do so by the police. Five men charged with drunkenness were remanded. One of the number taken to the General Public Hospital on account of his condition.

## REAL ESTATE NEWS

The transfer of property in Lancaster from J. A. King to J. H. Wilson has been recorded in Kings county. The following transfers have been reported: Susan E. and Emma P. Brittain to St. John & Quebec Railway Company, property in Westfield.

T. N. Vincent to T. L. Baxter, property in Rothess.

## ILLNESS MAKES NEED OF SPECIAL JURY PANEL

Four Criminal Cases and Two Non-Jury Matters in County Court.

There were four criminal cases and two non-jury cases on the docket of the county court this morning before Judge Armstrong. The non-jury cases were Allison and Harrold Co. vs. The American Globe Laundry Co., in which J. A. Barry is for the plaintiff and Barnard Sanford and Harrison for the defendant; and Thorne vs. Porter, in which J. M. Freeman is for the plaintiff.

The criminal cases include three cases of alleged theft from the C. P. R. and one of a camera from the Salvation Army House. They are the following: The King vs. Frederick G. Jones, theft, J. A. Barry for the defendant. The King vs. Alexander How, theft, J. A. Barry for the defendant. The King vs. Thomas Petrie, theft, E. Scott Monroff for defendant. The King vs. Clarence A. Whipple, theft, E. S. Ritchie for defendant.

Due to many of the grand and petit jury panel being absent due to illness, a special panel had to be ordered, and the court adjourned to 2:30.

**WANTS FIRE PROTECTION.**  
To the Editor of The Times-Star:  
Sir—Will you kindly allow me space in your valuable paper to ask the good people of East St. John what is to be done in the way of protection for both property owner and tenant in case of fire and hot water through dry wells or frozen pumps. Last week we saw Mr. Woods' house, store and stock of groceries go up in flames and no help in any way for him. Here is the way it looked to a resident: A forty-mile-an-hour gale to the house, a water main sixty feet away, not a hydrant from Kane's Corner to the Municipal House, not a foot of fire hose or any kind, frozen pumps and dry wells, and empty buckets. What a chance to save property and do something to relieve the good people of East St. John should get. I also forgot to say that there is not even a small dinner bell to warn the residents that there was a smoke rising. We need better protection from fire and some families' wells run dry and they have to walk great distances for drinking water when there ought to be at least one hydrant at the post office corner and one every 200 feet apart. I would allow us to live today instead of yesterday. So, thanking you, Mr. Editor, I am

Yours truly,  
JAMES SHEEHAN.  
East St. John, N. B., Feb. 23, 1920.

## The GLENWOOD RANGE Has Won The Hearty Endorsement of Nearly 5000 St. John Housekeepers

THE MARVELOUS GLENWOOD OVEN surrounded by hot air chambers, is under perfect control and can be evenly heated to the moderate temperature of 300 degrees for the most delicate cakes, or quickly advanced to the correct biscuit heat of 450 degrees.

This is made possible by the GLENWOOD Balanced Baking Damper, and the Patent GLENWOOD Heat Indicator that accurately registers the heat already in the oven, and tells at a glance whether to open or close the sliding air valve. It's so plain and simple a child can understand.

We are now showing a complete assortment in all sizes and styles.

IT WILL PAY YOU TO GET OUR PRICES.
