

A conjunct view of these reports indicates a large amount of earnest and successful work, as well as a goodly staff of devoted laborers loyal to Christ and devoted to His service in the Church.

A number of stirring addresses full of gratitude and hope were delivered by gentlemen present. The meeting was a good one—a means of inspiration.

The deaths during 1892 were nineteen—fifteen of these being members in full communion.

The additions to the Communion Roll were 84—48 of these being by profession of faith and 36 by certificates from other churches. Fourteen persons, in consequence of change of residence, applied for and received letters of disjunction. Notwithstanding the numbers removed by death and change of residence, there has been a clear gain to the roll of 55.

The Session within the last month have very carefully revised and corrected the Communion Roll, and find that after removing every questionable name we have 740 *bona fide* members and about 280 contributing families. The number of baptisms for the year is 21—all infants.

In the list of deaths, the congregation will notice with deep regret the demise of one of our oldest and most faithful elders, Mr. William Kent. He was a good man, a most liberal supporter of the congregation and the schemes of the church, kindly in disposition, and honorable in all his dealings. Our sympathy is warmly extended to his widow and friends.

J. ALLISTER MURRAY, C. R. SOMERVILLE.
